## Vote Decides New Library Scheme Here

If Move Approved, Grant Of \$5,400 Annually Paid; To Hold Public Meeting

How reading-conscious are Vernon people?

This and others are some of the questions which will automatically be answered on December 8, municipal election day, when citizens will be asked to vote on a referendum, as to whether the city joins the Union Library scheme.

At the present time some 5.3 percent of Vernon people use the existing library.

If the majority mark their ballots "Yes," an annual expenditure of some \$5,400 will be required.

Under the existing arrangements, the city makes an annual grant of \$1,000 for library work.

Should School District Number 22 agree to join the scheme, then a permanent grant can be expected, and books of reference will be available.

These facts were disclosed by Alderman E. Bruce Cousins to the City Council on Monday evening.

He reported on a meeting held in Kelowna, attended by C. E. Morrison, superintendent of the Public Library Commission, Union Library officials, School Inspector J. A. Towell, and others, including himself as chairman of the City Council Library Committee, and Vernon Library Board members.

Based on the estimated population of Vernon, approximately 10,000, the city will be assessed 50 cents per capita, or \$5,400 annually, a librarian will be provided by the Union Library.

A deposit is required from borrowers, but the usual small fines will be imposed.

The services of the library will be free to persons living outside the municipal boundaries. Borrowers will pay \$1.50 an hour for books.

Mr. Frank Spence, superintendent of the City of Kelowna, stated that the city of Kelowna has a population of 10,000 and a library budget of \$5,400.

Due to limited capital supplies of books have not been kept up in the Vernon library, an estimated 90 percent of the volumes need replacement.

Mr. Cousins said.

The ratemakers signify their approval of the Union Library scheme, the city will be asked to provide accommodation, fuel, light and other expenses.

**Vote Decides**

(Continued on Page 3, Col. 2)

**City Still Stymied in Efforts to Obtain Two Warning Lights**

The City's efforts to obtain two warning lights at the Barnard Avenue railway crossing continued to be stymied.

Little action from the Canadian Pacific Railway has resulted from requests, made by letter and verbally, for what is considered adequate warning to motorists and pedestrians at this vulnerable crossing.

"We do not see that any useful purpose would be served by installing a second light at this crossing," Charles Reid, divisional superintendent of the C.P.R. at Revelstoke, stated in a letter read at the City Council meeting Monday night.

The C.P.R. did say, however, that it will see in an ample supply of lights available to replace any which may burn out.

**Incorporation For Lumby To Be Decided Soon**

Further information dealing with the incorporation of Lumby as a village municipality has been received by the Lumby Board of Trade in a legal brief.

The important news was released by Board president, J. F. Fisher at the regular meeting of the Board held on Tuesday night of last week.

Details of the brief were not made public, but the covering letter from the lawyers indicated that in their opinion, incorporation from a financial standpoint was both advisable and desirable.

Presentation of the report will require several months of consideration and study. This is the second brief on incorporation the city has received in the past.

The matter will be placed before the Lumby community at a special meeting of ratepayers scheduled for December 8. The brief will be submitted and elaborated upon by a representative of the law firm preparing the information.

"Kolwood" Farm Herd at Royal Agricultural Winter Fair

Seeking honors further afield after bringing home blue ribbons from B.C. agricultural fairs this fall, are Vernon E. Ellison's Hereford cattle from his farm at Oyama. The Royal Agricultural Winter Fair, Canada's live-stock window, opened in Toronto on Tuesday, continuing to November 23. Cat-

tle will be judged this weekend. Mr. Ellison's entries make live-stock history in the Okanagan, as this is the first time a herd from the Valley has been entered in Toronto. Harold Somerset, "Kolwood" herdsman, accompanied the cattle to the East, leaving Oyama two weeks ago.

## No Further Candidates Known In Civic, School Board Elections

### Election Day To Be Busy One For City Ratepayers

Municipal election day, December 8, only three weeks away, will be a busy one for electors.

Not only will they vote for a mayor and two aldermen each to serve two years, but also they will be asked to express an opinion on a money bylaw and three referendums.

The money bylaw is for \$25,000 to provide for sewer extensions, including works at the north end of 32nd Street, some on 4th Avenue, and for enlargement of trunk sewers in the V.I.C. subdivisions and the Central Mortgage and Housing Corporation's.

One referendum asks the people if they wish a 10-year franchise granted to Carwell Coach Lines Limited. This service has been in operation some four years, and to protect its investment the company seeks a longer term franchise.

The agreement states that the coach lines cannot be transferred to other ownership without written consent from the city; and the franchise could be cancelled if the terms under which it operates are not kept.

The second referendum will ask the citizens if they are willing that the city sell the site on which the City Hall stands for \$10,500, so that a new hotel may be erected.

The third asks the opinion of the people in the matter of joining the Union Library scheme.

Presentation of the report will require several months of consideration and study. This is the second brief on incorporation the city has received in the past.

The matter will be placed before the Lumby community at a special meeting of ratepayers scheduled for December 8. The brief will be submitted and elaborated upon by a representative of the law firm preparing the information.

**Ask Information on Bill to Present for Fruit Hail Insurance**

Approaches will be made to the Superintendent of Insurance at Victoria by the B.C.F.G.A.'s Hail Insurance Committee to secure information and guidance prior to the application to the next session of the Provincial Legislature, for the passing of a bill to give members of the B.C.F.G.A. their own hail insurance project, reports C. A. Haydon, secretary.

This action has been the result of a conference between the representatives of the Hail Insurance Committee and the B.C.F.G.A. executive.

The request will be made to Victoria as early as possible so that the proposed bill can be prepared before the end of the year.

The Hail Insurance Committee has been working actively on the matter since a resolution was passed at the B.C.F.G.A. convention in January. Information has been secured from every possible source and will be contained in the committee's report to the growers' convention next January.

**Enough Dentists to Serve Preventive Dental Clinic?**

School Board Approves Proposed Plan Provided Full Service Can Be Given

Provided the plan is feasible, the Board of School Trustees for Vernon District 22 approves in principle the organization of a preventive dental clinic in the region served by the North Okanagan Health Unit.

However, final decision on the clinic will not be made until the Board's next meeting, in December, when further reports on the subject will be heard.

### Jaycee Committee Seeking Nominees; 2,653 Persons on City Voters' List

With nomination day, December 1, only two weeks from today, Thursday, little open interest is being shown throughout the city for the civic elections.

Last week, Mayor T. R. B. Adams declared he would seek re-election and Alderman E. B. Cousins stated his withdrawal. Alderman David Howrie, whose term also expires, yesterday, Wednesday, said he had made no definite decision although he has indicated his participation.

Up to yesterday, no one else had announced any intentions for civic office.

A committee from the Junior Chamber of Commerce, under Jack Ryall, is active "behind the scenes" endeavoring to get candidates for office. The Jaycees also plan a "get out and vote" campaign.

Other than these general reports, the organization would not reveal any information until the day of the election.

Vernon Ratepayers' Association, said the group "would try to get going on the ratemakers' but he added that so far nothing had been done. A meeting may be held soon.

**School Trustees**

T. R. Bulman and Mrs. H. L. Courser are the Vernon trustees of the School Board for District 22 whose terms automatically expire at the end of December.

Mr. Bulman has stated he will run if the electors wish it. Mrs. Courser was contacted yesterday on her return to this city from the Coast and she declared she had not given thought to the matter yet.

Michael Freeman, Coldstream trustee, whose term also expires, says he will run again. Mr. Freeman has been a trustee since the School Board was amalgamated to serve the Vernon District, number 22.

No Vernon citizen attended the Court of Revision held in the City Council Chambers on Tuesday. The Court was for the purpose of correcting and revising the voters' list for 1949-50.

**Increase in Voters**

City Clerk J. W. Wright reports there is a net increase of 97 property owners, bringing the total to 2,651.

Fifteen names have been added to the list of 121 householders, making a total of 136.

The City Council has instructed the Provincial Police to institute proceedings against some 20 individuals who have evaded paying poll tax, and No-Further

(Continued on Page 3, Col. 5)

**Store Clerks To Enjoy Christmas Eve This Season**

Just over five weeks are left before Christmas and this week the Vernon Retail Merchants' Association issued a reminder of store closing hours for the Christmas shoppers.

The hours were set on February 24. During the week before Christmas Day stores will be open from 9:30 a.m. to 5:30 p.m. each day including Thursday.

In order that store employees may spend Christmas Eve with their families, store will close on Saturday, December 24, at 5:30 p.m.

Businessmen are requested to have their stores decorated for the "Yuletide Season." Efforts are being made to have this decoration completed by November 25. The City Council has been asked to have the main street decorations completed by that date. On Monday night, the Council compromised with December 24.

**Enough Dentists to Serve Preventive Dental Clinic?**

School Board Approves Proposed Plan Provided Full Service Can Be Given

Provided the plan is feasible, the Board of School Trustees for Vernon District 22 approves in principle the organization of a preventive dental clinic in the region served by the North Okanagan Health Unit.

However, final decision on the clinic will not be made until the Board's next meeting, in December, when further reports on the subject will be heard.

## City Can Meet \$22,000 Cost Of Arena Ice Plant

### Lights, Decorations Will Brighten City at Yuletide

The old gentleman with the reindeer will have no difficulty locating Vernon when he rides the December skies making a nightly reconnaissance of waiting chimneys for his Christmas Eve operations.

The City Council on Monday night arranged to have the switch flipped on Friday, December 2, which will transform Vernon's shopping centre, Barnard Avenue, into a nightly fairyland.

The Christmas tree outside the City Hall will be lit every evening from that date, until after the holidays.

Colored lights, which span Barnard Avenue, are being checked, and will also be lit every day at dusk, commencing December 2.

The Council reached this decision after hearing a letter from the Vernon Board of Trade on behalf of the Retail Merchants' Bureau, asking that the lights be turned on November 24. The Council compromised with December 2.

City Clerk J. W. Wright said that the B.C. Power Commission's flat rate for the additional lighting is \$27.50 per month.

A. J. Walker and Gordon Skinner waited on the Council in support of the Trade Board's letter, on behalf of the merchants. They said their desire was to make Vernon the North Okanagan's shopping centre. Merchants are combining on a concentrated effort to brighten up the town. Mr. Skinner said, answering Alderman Fred Harwood, who asked the storekeepers to "do their part."

This may be the last Christmas for the spruce tree in the City Hall corner which has become synonymous with Yule through the years. The tree was planted by the late Police Chief R. V. Clarke shortly after he came to Vernon in 1910, and has been lit every year since. If the new hotel plans materialize, the tree will probably be sacrificed to the march of progress.

## "Most Successful" Year of Operation Seen for Arena

Total Deficit \$11,243, But Charges to Capital Expenditures Lessen to \$278

The changeover from roller skating to ice skating made October the most expensive operating month of the year for the City Arena, stated Alderman David Howrie at the City Council meeting Monday night.

Covering last month's operations.

The report states current year's operations (October 1949) has been one of the "most successful" since the Arena was opened.

"Although the total deficit charged to the Arena this year is \$11,243.48 when monies chargeable to capital expenditure are deducted from this amount, there is only a deficit of \$278.27," Alderman Howrie said.

**U.S. Shipments to Britain May Strengthen Home Mart With 'Benefits to All'**

A large Marshall Plan deal for apples with the United Kingdom as announced on Wednesday is unlikely to have any markedly adverse effects on the Okanagan fruit industry, and may indeed prove beneficial to the North American fruit trade.

Under the terms of the agreement, the United States will supply the Old Country with U.S. apples to a value of about \$4,000,000. This agreement is distinct from the program recently announced whereby the American government will barter apple exports to most countries of the world excluding Canada, Mexico, and a few others.

The United States has been staggering under a record apple crop. Consequently, the domestic market has ranged from weak to very poor.

In commenting on the Marshall Plan deal, A. K. Loyd, president of B.C. Tree Fruits Ltd., said on Wednesday that shipments to the United Kingdom might strengthen the market in the U.S. "with consequent benefit to all."

The Canadian industry has had its own "Marshall Plan" under terms recently announced. On Wednesday, Nova Scotia exercised its option to supply the remainder Marshall Plan.

### Council Has No Intention of Going to Ratepayers; Bonds, Sales Tax Helps

The City of Vernon has the cash to pay for the Civic Arena refrigeration plant. There is no intention of going to the ratepayers with a money bylaw.

The estimated cost of the installation was \$22,000. All accounts are not in yet, but the City is informed the cost will be well within these estimates.

This was disclosed at Monday night's City Council meeting. A motion was passed authorizing the sale of bonds, including a \$11,330 levy fund, earmarked for the purchase of the refrigeration system. This, plus an approximate \$9,000 additional revenue from the three percent Social Security and Municipal Aid Tax, over and above the budget, will place the city in a position to clear up the cost this year.

The S.S. and M.A. tax is received by the city twice annually. The second payment is due in December, to an approximate total for the year of some \$70,000.

**Howie Explains Deal**

"When the Arena Commission was faced with the need of ice for October," Alderman David Howrie stated to the Council, "the Inland Ice Company was asked about refrigeration. We did not receive an enthusiastic reception. The Inland Ice may move its plant in a few years, time in any case.

"Partly on the suggestion of the Inland Ice Company, we considered putting in our own plant. A Vancouver engineer was in the city about that time, and the Arena Commission contacted him, with the result that the Commission approached the City Council regarding installing our own plant.

"The new installation," continued Alderman Howrie, "will be an asset to the community in general."

"We did not hold a Commission meeting. We should have done so. Consequently the task was misunderstood."

The Finance Committee did not meet down to any specific matter, but the committee was informed that no milk offered for sale to the public is safe unless it is pasteurized. My actions are directed towards this end."

At a North Okanagan Union Board of Health meeting held in Salmon Arm recently a vote of confidence was expressed in the Lumby District.

(Continued on Page 4, Col. 5)

**"Original" Name for Junior High School Sought by Trustees**

As an accompanying news story relates, the new Junior High School in MacDonald Park is progressing rapidly and, at their regular Board meeting on Monday night, school trustees for the Vernon District, 22, held a short discussion that could have been called, "What's in a name?"

T. R. Bulman was in favor of giving the school's title a little originality instead of the merely commonplace name of "Vernon Junior High School" which, he said, smacks of provincialism. Mr. Bulman said several citizens have suggested to him the name "Kalamalka Junior High School." Other trustees humorously spoke up for "Swan Lake" in the title while the name "MacDonald Park Junior High School" was also put forward.

School Inspector A. S. Towell pointed out the Department of Education regulation that no two schools in the province can have the same name. The Swan Lake title thus would be ruled out because there is a Swan Lake school in the Peace River district.

Board chairman P. S. Sterling asked the trustees to give the matter some thought and bring suggestions to the next meeting in December.

**New Amusement Centre Appears Certain in City**

A drive-in theatre as a new entertainment medium for Vernon citizens and the travelling public for 1950 seems assured. The new business venture proposed by J. Hackman and M. Popowich to erect such an amusement centre looks as if it will go ahead, Mayor T. R. B. Adams told the City Council Monday night.

Mr. Hackman has verbally accepted the city's proposition. This includes \$1,500 from the partners towards the cost of opening a road from Main Street to the west end of the property on Maple Street, proposed for the "drive-in."

Two strips of land, 27.5 feet and 50 feet respectively, will be donated to the city for road developments by Mr. Hackman and Mr. Popowich.

Mayor Adams said the arrangement with the city will be confirmed in writing. City Engineer F. G. deWolf stated that workmen and equipment will start work immediately on the road. Weather conditions are very favorable for the season of the year, he said.

**City's Proposition for Road to Drive-In Theatre Now Verbally Accepted**

A drive-in theatre as a new entertainment medium for Vernon citizens and the travelling public for 1950 seems assured. The new business venture proposed by J. Hackman and M. ## Trade Board's Student Contest Closes Shortly

The concluding broadcast in the Vernon Board of Trade's "Canadian Heritage" contest will be made late in December.

Commencing on September 25, CJB has carried a dramatized story of the Canadian way of life each Sunday at 8:15 p.m.

An essay contest is sponsored by the Trade Board based on the material contained in the 13 programs. The contest closes January 30, 1950. The competition is open to High School students of Vernon, Armstrong, Salmon Arm, Lumby and districts.

A panel of judges has been announced this week. They are C. W. Morrow, M.L.A., Rev. L. A. C. Smith and Mrs. J. L. Johnson. Their decision is final, and winners will be announced as soon as possible after the contest closes.

The Board of Trade emphasizes that essays should not exceed 1,000 words, and that the contest is open to High School students only, with name, age, grade and school noted at top of the front page.

Entries must be in the students' own handwriting, and are to be sent to the secretary, Vernon Board of Trade.

Thirteen cash prizes are offered: for Senior High School entries, \$20 first award; second, \$15; two \$10 and three \$5 prizes.

For Junior High School, the first prize is \$20; second, \$15; third, \$10, and three \$5 awards.

## Card Party Provides Funds for Trinity Valley Yule Party

TRINITY VALLEY, Nov. 16.—A card party was held at the Trinity Valley School on Friday night for the purpose of raising funds for the children's Christmas tree party.

Whist prizes were won by Mrs. Stewart Deans, F. J. Ratcliffe, Mrs. F. J. Ratcliffe and C. Bright. Refreshments were served followed by dancing.

Social Items  
Mrs. E. Arrance is spending several days at the Coast visiting her brother, who is ill.

Art LePage, of Vernon, visited his brother, J. F. LePage, of Trinity Valley, on Tuesday.

Peter Schmitz, who spent about two months in this district last winter, was married to Miss Mary Schmitz on November 15. His bride is the former Thelma Clarke, of Central Butte.

## Enough Dentists

(Continued from Page One)

point was that a lot of children need dental care now and "they do not get it." Through the preventive dental clinic scheme they would get this attention, he claimed.

Mr. Martin gave the example of a woman who phoned a dentist recently for an appointment and was given one about the middle of next March. Said other trustees: "That is the point. The same number of dentists are going to be giving this extra service."

Dr. H. J. Alexander said he would try to get further information on the proposal from the local dental association.

Further progress was revealed with the plans for the Lavington school. The Board approved the plans subject to necessary minor changes and subject to Department of Education approval.

Transportation Costs  
An indication of the transportation problems facing the Board came when Mr. Martin brought up a request to extend one of the Lumby school bus runs approximately three miles for four children. The extra six miles a day would cost \$300 for the school year.

Decision was made to check the mileages involved and reach a conclusion at the next Board meeting. Trustee Michael Freeman finally was successful in his efforts to have two tumbling mats purchased for the Lavington School. At a previous Board meeting his request touched off a lengthy discussion on the needs of rural schools in the district. Now that repairs have been made in the rural schools, agreement was reached on purchase of the mats.

Rural School Repairs  
The Board received a report from maintenance superintendent W. J. Forsyth, indicating that various repairs and renovations in rural schools had been made within the last few weeks.

The new school at Hilton is progressing well. Problems with the water supply at the Richlands school have been taken care of and paint has been purchased to brighten up the interior of the building. A new stove has been installed at the Trinity Valley school and repairs to the floor will be made.

All requests from residents of the Kedleston district have been carried out and a new stove put in the school. Mabel Lake school renovations were to be made this week. Heating at the Lumby school has been improved.

In his report, Mr. Forsyth stated that the Lavington teachers' pay and wooden needs rebuilding. Cost would be approximately \$2,000.

Michael Freeman, trustee for Lavington-Coldstream, agreed that the building is in poor shape, but he did not think the Board was obligated to provide garages with the teachers. The matter will be deferred.

Rent Goes Up  
The three teachers now living in the Lavington teacherage will face an increase in rent, retroactive to November 1. The trustees decided that the rent of the teacherage will be increased to a total of \$15 a month.

Continuing with the maintenance report, the Board heard that the problem of low water pressure for the Coldstream school has been remedied and a meter has been installed on the line. This means an increased water bill for the Board.

Medora Creek school will get a new floor and the building will be winterized as soon as possible. Trustee Joseph Martin, of Lumby, reported that the new school building at Lumby is progressing rapidly with the perfect fall weather a real boon to the construction company.

The Board approved a request that the annual convention of the B.C. School Trustees' Association be held in Victoria next year. The request was made because several other educational groups will hold their annual conventions in the capital city during October.

## Invitations to Speak At 61st B.C.F.G.A. Convention Accepted

Invitations to address the 61st annual meeting of the British Columbia Fruit Growers' Association to be held in Penticton January 17, 18 and 19, 1950, have been accepted by Hon. Harry Bowman, Minister of Agriculture; Hon. E. O. Carson, Minister of Public Works; Dr. L. P. Batjer, U.S. Department of Agriculture at Wapato, Wash.; Dr. J. Marshall, Dominion Laboratory of Insect Pathology, Summerland; A. K. Loyd, president and general manager of B.C. Tree Fruits; J. B. Lander, sales manager of B.C. Tree Fruits Limited, and A. G. DeBriay, president, and R. P. Walrod, general manager, of the B.C. Fruit Processors Ltd.

Life membership will be presented to Hon. Frank Putnam, former Minister of Agriculture and to David McNair, former sales manager of B.C. Tree Fruits Ltd.

The convention committee consists of J. A. English, chairman; Hinckesman, Herb Corbushley and John Coe, John Thord, Harry N. James, secretary of the Penticton B.C.F.G.A. Local.

The Brooklyn Dodgers won 49 and lost 29 games at Ebbetts Field during the past season for a .622 percentage. They won 13 and lost nine under the lights.

Sir Thomas Gets Honorary Doctorate

Chief Justice O. S. Tyndale, left, in his capacity as Chancellor of McGill University, Montreal, confers upon Sir Thomas Beecham, distinguished musician, an honorary doctorate of music during the special convocation at the university last week.

## Remembrance Day Services At Armstrong Impressive

ARMSTRONG, Nov. 15.—The rows of crosses on Flanders Field, the dipping of colors and standards, and the distant murmur of the hymn "Abide With Me," crystallized the meaning of a Remembrance Day service for a capacity audience in the Armstrong Theatre on Friday.

The service took the form of the "Act of Remembrance," which has been presented at the conventions of the Canadian Legion.

The Armstrong United Church choir, under the leadership of Ronald Heal, and assisted by various other city church choirs, supplied the music for the service. Mrs. W. A. Prowse was pianist.

The audience opened the service with the singing of "O God, Our Help in Ages Past."

The service was followed by the invocation and the "Lord's Prayer" by A. B. Shaples, Rector of the Church of England.

The color party, representing eight organizations, marched slowly through the audience to take up a position facing the gathering.

The colors were lowered as a scene from Flanders Field was flashed on the screen.

Following this, a voice was heard slowly repeating Lawrence Binyon's lines:

"They shall grow not old, as we are left grow old  
Age shall not weary them, nor the years condemn.  
At the going down of the sun, and in the morning  
We will remember them."

The "last post" was sounded and the two minutes silence observed. As the scene of Flanders Field faded out and the lights came on, Reveille was played.

The service commenced with memorial prayers, led by Rev. F. E. Runnals, Minister of the Armstrong Zion United Church. Rev. D. M. Rathjen, of the Pentecostal Church, read the scripture lesson.

During the Offertory for the Tubercular Veterans at Tranquille, and the Local Veterans' Relief Fund, the choir sang their anthem.

Following the singing of the hymn, "Praise My Soul," by the audience, Rev. J. Gillanders, Minister of St. Andrew's Presbyterian Church, gave an address.

The service came to a close with the singing of the national anthem and the benediction.

The veterans and representatives of various organizations marched to the cenotaph where the roll call was taken.

Soldiers of the City of Armstrong and "Municipality of Spallumcheen who gave their lives for their country between 1914, and 1918 are: Adams, B. Adamson, A. H. Barnes, T. E. Barford, W. Binkley, R. Burton, R. Bell, D. J. Caldwell, D. E. Crozier, F. Cullings, G. Dodds, O. Fader, W. R. Fowler, E. Froehman, H. A. Freeman, A. Gray, H. M. Gregory, J. S. Groves, R. E. Groves, J. Harris, J. S. Hyde, H. W. Hunter, W. F. Hunter, K. L. Hunter, R. Ibbotson, E. Ibbotson, R. Kirkup, J. MacPhail, G. W. McCallum, M. J. McCallum, J. McKee, G. A. McKenzie, O. McPherson, F. Marjo, G. Maundrell, E. W. Meares, G. E. Mitchell, L. Munslow, A. H. Murray, T. T. Rinkins, A. Reynard, O. Severs, J. Symington, B. A. Schuber, H. Skyrme, J. C. Smallwood, H. Sturrock, T. Turner, S. B. Van Kleeck, A. W. Watson, G. Whitworth, G. H. Winter, F. C. Wolfenden, J. E. Wood and T. P. Woodward.

Those listed killed in the Second World War were: W. A. Brydon, W. Drummond, G. O. Dunkley, J. Enns, R. F. Fisher, W. J. Fisher, E. Finnigan, B. E. Gill, W. A. Hayes, P. Harasymchuk, D. O. ## Lumby Calf Club Hears of Group Work in District

LUMBY, Nov. 16.—The inaugural meeting of the Lumby Calf Club was held on Monday night in the Canadian Legion Hall. J. E. Caplette, district agriculturist, addressed the gathering and gave a brief resume of work carried out by the club in the North Okanagan.

He also outlined the activities which club work invites and responsibility which must be assumed by the young people organizing such groups.

Since the year is almost at a close, no immediate activities are planned other than to make arrangements for interested boys and girls to attend the Kamloops Fat Stock Show scheduled for the end of this month.

The Lumby club is sponsored by the Lumby and District Board of Trade which appointed E. A. Rennie as organizer. He will be assisted by S. Barry, R. Hill, H. Catt and J. Gallon.

## New Blanket Policy To Ease Bonding of All Civic Employees

The City Council finds it can bond all permanent employees under a blanket policy for approximately the same amount, as four separate bonds for employees in the main office.

Alderman David Howie, chairman of the finance committee, brought in a report on Monday evening, and recommended that the Council endorse such a blanket policy for \$79.40 annually.

This covers all employees: the City Clerk, City Hall staff, Arena manager, and over 20 other employees, including those who handle materials and stock.

If staff changes are made, re-bonding is not necessary. The position is covered; not the individual.

"That type of policy seems not strictly necessary, but we can have full coverage for the same sum, as would be required for four single employees," commented Mayor T. R. B. Adams as the motion was passed.

## No Damage at Chimney Fire

A chimney fire at approximately 6:30 o'clock on Tuesday evening, sent the Vernon Fire Department to 2503 38th Avenue. No damage was reported.

Tulsa, which finished second in the Texas League, did not lose a doubleheader during 1949—the Oilers swept seven and split six.

2. Dress—Roll-Call Order... shirts and tie.

Signed—

G. L. MORTENSEN, Major

### B.C.F.G.A. Committee Agriculture Official To Confer in Kelowna

Various issues which have developed in the marketing of the 1949 tree crop will be discussed at a conference in Kelowna on Saturday between Col. R. L. Wheeler of the Fruit Branch, Dominion Department of Agriculture and the B.C.F.G.A. grades committee. A. K. Loyd, president of B.C. Tree Fruits, is chairman of the grades committee.

A second conference between Ivor Newman, president of the B.C.F.G.A., and Col. Wheeler, will delve into the problem of travelling inspection which was requested at the 1949 B.C.F.G.A. convention.

Col. Wheeler arrives in Penticton Friday morning and will leave by plane for Vancouver Saturday afternoon.

### Vote Decides

(Continued from Page One)

and janitor service. The Union Library will "screen" the old books, supply five to six thousand new volumes, including "best sellers," and books for children. All will be renewed frequently.

Three fiction and three non-fiction volumes will be available at one time to borrowers.

Alderman Cousins said that 21.7 percent of Penticton's population use the library in that centre; while in Kelowna, Union Library headquarters, 45 percent make use of the books.

A public meeting will be held before December 8 to discuss the matter from all angles.

### Marshall Plan

(Continued from Page One)

of the joint Canada-U.K. deal for about 110,000 barrels, worth over \$400,000. Earlier in the season, Nova Scotia had protested the price, at \$1.30 to \$1.35 a box, as being too low and had indicated that it might not ship all its allotments. The Okanagan's apple business continues to follow the same pattern. Sales to Western Canada are quite good, heavier than a year ago, while movement to the East is still slow because of local supplies. Despite local produce at Vancouver, the valley is dispatching a normal amount of apples there.

Carlot shipments for the year to date total 8,423, about 400 ahead of a year ago but behind the 1947 record of 9,720.

Former Comrades-in-Arms

Former comrades-in-arms and leaders of Commonwealth armies met last week in peaceful academic surroundings. Chatting about old times, just before a special convocation ceremony at McGill University in Montreal, His Excellency Viscount Alexander, left, and Field Marshal Earl Wavell. Field Marshal Wavell received the honorary degree of Doctor of Letters.

## Canada Strengthened By Inclusion of Newfoundland

—National Night for Vernon B. & P.W. Club

Business and professional women in today's world have learned something of strength and endurance in their quest for a livelihood and recognition of their abilities.

Rev. L. A. C. Smith, in his address on "Newfoundland" at the Vernon Business and Professional Women's Club National Night dinner on Tuesday evening described another type of strength. "In the stamina of her people lies the source of Newfoundland's greatest strength," he declared.

With Club president Mrs. John Laidman in the chair, head table guests included Mrs. L. A. C. Smith, of Vernon; Mrs. Phyllis Trenwith, Mrs. J. B. Knowles and Miss Lily Patterson, all of Kelowna; Mrs. E. N. Peel, of Endenby; Mrs. Caroline Watt, Miss Irene Coscar, Mrs. A. D. Abercrombie and Miss M. Mann, of Armstrong; Miss Hilda Cryderman, of Vernon, treasurer of National Federation, B. and P. W. Clubs.

"We Canadians have reason to be indebted to Newfoundland. She will make a tremendous contribution to Canada," Mr. Smith declared.

Newfoundland is the oldest Anglican diocese in the Commonwealth of Nations, outside of Great Britain. How she was welcomed as the "infant" or newest comer to Canada's 27 dioceses at the Synod held in Halifax last September was described in part by the speaker.

"The rugged durability of the true-hearted people, who are forthright and dependable, is a challenge to residents of other provinces. . . . The Christian religion holds a central position in the whole of life in Newfoundland, to an extent which puts British Columbia to shame," declared the speaker, who said that the Bible is the "centre of life" in Canada's newest province; "a tremendous contrast to B.C."

Ninety-eight percent of the population is native born. The sea, on which the newest province depends, and which is another contributory cause for the steadfastness, virility, and staunchness of its people, is their means of livelihood. The Coast of Newfoundland was in the front line of defence in wartime.

**Bible Centre of Life**  
As the Bible is the bulwark of British greatness and tradition, so it is the centre of life in Newfoundland. Four religious denominations operate its schools; Roman Catholics; Church of England, Salvation Army and the United Church. Teachers are trained, not only in the general processes of education, but also to impart knowledge of the Christian way of life.

"The strong, God fearing people of our newest province have something to offer to our Dominion," Mr. Smith concluded.

"National Night is the show window of our organization," Miss Hilda Cryderman declared. "Federation" means fellowship. She briefly traced the history of B. and P. W. Clubs in Canada from a meeting of five business women in Winnipeg in 1930. From that meeting has sprung a membership in Canada of 5,500 women.

"It was," she continued, "long enough after the first World War, for it to have its impact. There were not enough homes to look forward to, so women turned to careers, the necessity of earning a living. The challenge was greater after the second war."

"We have lost two generations of fighting men. Those who fell are missed in the state, in the provinces, in municipal governments. There is a challenge to women in civic, provincial, Dominion and world citizenship in the world of tomorrow," Miss Cryderman said.

Mrs. Laidman welcomed the guests, and read a letter from Miss Winnifred Urquhart, of Vernon, who has been in the British Isles this summer and fall.

Mrs. Caroline Watt, president of the Armstrong Club, proposed the toast to National Federation.

### Volunteer Labor Speeds Work On Winfield Hall

WINFIELD, Nov. 15.—A number of volunteers made a good start on the plywood ceiling of the new Memorial Hall on Friday. Further work will continue this week.

The Winfield packing house has finished packing for the season after a steady run of over two months. The Woodsdale house will continue operation for some time.

Mr. and Mrs. M. Gibbons of the Cariboo district are visiting Mrs. Gibbons Sr. and other members of the family.

Mr. and Mrs. Walter Zimmerman, of Vancouver, visited relatives in the district over the weekend.

Mr. and Mrs. John Pernes and family left recently to reside in England.

Among those travelling the new Hope-Princeton highway over the weekend were Mr. and Mrs. Reg Moody and Mr. and Mrs. Reuben Krebs, who visited relatives in Vancouver.

Mr. and Mrs. Doug Elliott, formerly of Winfield, and now of Vancouver, motored over the new highway to spend the weekend in Rutland and Winfield.

Mr. and Mrs. Steele Sr., who have spent the last two months with their son and daughter-in-law, Mr. and Mrs. Jack Steele, left last week for their home in Nova Scotia.

### Film on Switzerland Draws Westfold Skiing Enthusiasts

WESTFOLD, Nov. 15.—The lecture and films presented by the well known Swiss traveller, Anton R. Lendl, "Switzerland—Pattern for Peace," attracted a large and enthusiastic audience to the Westfold Hall on Saturday evening.

Albert Mower, president of the Westfold Board of Trade, introduced Mr. Lendl to the gathering. Thrilling scenes of the 1948 Olympic Games highlighted the film showing. All forms of skiing in the beautiful, breathtaking scenery of Switzerland thrilled the audience throughout the entire presentation.

The pictures were screened by P. Goodland, of the National Film Board.

### No Further

(Continued from Page One)

against a few employers who have not made their returns.

The poll tax is \$7. Each defaulters will be duly warned before proceedings are commenced.

There is nothing unusual in this action. Said City Clerk J. W. Wright on Thursday: "It happens every year."

England and Scotland were first united by James VI of Scotland, who inherited the crown of England in 1603 as James I.

The eyes of a guinea-pig don't drop out if you pick up the animals by the tail—guinea-pigs haven't got tails.

### Falkland Shooters Win Prize Turkeys

FALKLAND, Nov. 15.—The Falkland Rod and Gun Club carried off plenty of birds in the turkey shoot held in Canoe on Sunday of last week. The competition was conducted on the 100 yard range with 22 calibre rifles.

Of considerable interest to the sportsman is the Falkland turkey shoot to be held on the 100 yard rifle range and the 25 yard shotgun range on December 4.

All turkeys won at the shoot will be dressed and delivered on or before December 15.

Mr. and Mrs. Henry Teichroeb spent the weekend visiting relatives at Ashcroft. They brought back their little daughter Ramona, who has been staying with her grandparents at Ashcroft.

Visiting friends and relatives in Falkland over the long weekend were: Mr. and Mrs. Bill Gotobed,

of Vancouver; Miss Audrey Smith and Miss Barbara Franks, of Kamloops; E. Trump, of Oliver; Miss Mildred Weston, Miss Freda Leaf, Mrs. Ina Geiger, Miss Lena Bohnen and Mrs. A. Bohnen, all of Vernon, and Mr. and Mrs. Lloyd Hopkins and family, of Adams Lake.

Mr. and Mrs. August Molton of Sydney, Vancouver Island, recently paid a surprise visit to Mrs. Molton's brother, Sam Swift. They had not seen each other for 20 years.

Homer Churchill accompanied by Georgina Bohnen and Mr. and Mrs. Vern Bohnen motored to Kelowna Saturday to attend the Legion dance.

Vern Churchill, 13 year old son of Mr. and Mrs. J. D. Churchill, is a patient in the Vernon Jubilee Hospital.

### Alderman, Retail Merchants Discuss City Fire Hazards

The wooden garbage boxes or trash containers, used by merchants and businessmen for refuse, are a fire hazard, so Fire Chief Fred Little warned the City Council a few weeks ago.

The Council appealed to the Retail Merchants' Bureau of the Vernon Board of Trade, so that a solution might be found.

The Retail Merchants' executive has had this matter under advisement, the Council learned on Monday evening, and at the request of the Vernon Board of Trade, Alderman Fred Harwood will attend a meeting of the merchants on November 20 at 10 a.m. to probe the matter further.

## Election Interest Growing In Spallumcheen District

ARMSTRONG, Nov. 15.—The Court of Revision composed of Reeve Stanley Noble and Councillors Lellman and Hilt, sat at the Municipal Hall yesterday, Wednesday, at 8 p.m., to deal with amendments to the 1949 voters' list for the approaching municipal elections.

This and other measures were taken to prepare for the election during the course of the regular meeting of the Council of the Municipality of Spallumcheen held in the Municipal Hall on Monday of last week.

Willis Hunter has been appointed Returning Officer and H. Page Brown is the deputy.

### Lumby District

(Continued from Page One)

Health Unit for carrying out provisions of the Milk Act. Dr. Best outlined the action taken in Lumby and Revelstoke.

The Board of Health representatives also discussed the plans of a preventive dental clinic to be set up in the Health Unit area if city councils and school boards approve.

Representatives will submit plans of the scheme to their respective school boards and councils for consideration and endorsement so that the service may become operative in 1950.

Details of the plan, as reported in The Vernon News several weeks ago, were given to the 20 members and visitors attending the meeting.

Method of Financing

In the method of financing, where municipalities are required to pay 15 cents per capita per year as are school boards, Alderman George Melvin asked if the levy would not be better entirely through the school boards as the work fits in more closely with the schools.

He pointed out that the municipalities would still have to participate in the school boards' increased estimates.

K. B. McKechnie, of the Armstrong School Board, took the stand that the Council should pay their own share as is done now in financing the North Okanagan Health Unit.

Alderman Melvin declared it "unfair" to ask present councils and boards to commit next year's groups. Mayor H. W. Scales, of Salmon Arm, declared the matter should be dealt with by next year's elected bodies.

Mrs. A. H. F. Martin, of Salmon Arm School District, asked if the service would be available to central schools as soon as it was to remote schools. Dr. Edward R. Best, director of the Health Unit, answered that the dentist would probably work as he did, reaching remote schools while roads are good and concentrating on central schools in winter where necessary.

Grant Higher?

J. M. Cameron, secretary of Revelstoke School District, said parents will expect much more service than is proposed and even if the per capita cost was higher, he claimed, there would be greater general satisfaction. Service is proposed to be extended to Grade One pupils and pre-school children.

Said Alderman Melvin: "We have to start somewhere and this service may expand as has the Health Unit."

The Vernon representative then asked a question which has been repeated many times by school trustees and city councillors. "Does every child needing attention pay or only those treated?" Dr. Best replied he did not know whether the \$2 per year payment by parents is made only when treatment is given.

The Health Board also approved a resolution from the Okanagan Valley Municipal Association. This asked that each municipality recommend to the Department of Agriculture that some provincial legislation be introduced and enacted whereby all hogs, beef and mutton be inspected and approved before being offered for sale to the public.

### Dairy Meeting Held In Deep Creek Hall

DEEP CREEK, Nov. 15.—W. O. Cameron, of Vernon, and G. Muirhead, of Salmon Arm, were guest speakers at a dairy meeting held in the Deep Creek Hall on Tuesday of last week. The film "Science of Milk Production" was shown.

A large flock of geese has been landing in the grain fields near the lake every evening during the last week.

President-designate Visits Railway. A visitor to Canadian National Railways headquarters at Montreal last week was Donald Gordon, C.M.G., president-designate of the system. Mr. Gordon (left) is examining a map of the vast rail network with R. C. Vaughan, C.M.G., whom he will succeed as chairman and president on January 1st.

## Kelowna Building Totals \$840,000

KELOWNA.—Topped by a \$20,000 permit to the Kelowna Badminton Club for a new hall, building permits for the month of October, 1949, reached \$71,470, for a 10-month total of \$843,283.

While building is way below last year's record amount, permits issued for the month of October were just \$201 shy of the total for the previous month, September, 1949. But in October of last year, permits totalled over \$10,000 more—\$178,649 to be exact.

### Kelowna Headquarters For Radio Inspector

PEACHLAND.—Federal Department of Transport has notified Peachland Municipal Council that a radio inspector has been appointed for the Interior and will be located at Kelowna.

It was stated the radio inspector would be transferred to Kelowna within the near future, and that instructions had been issued for him to investigate complaints concerning radio interference in the Peachland district.

Canada's daily transcontinental air mail service was begun in 1939.

## Initial Steps Toward Fire Protection Taken In Lumby

—Vernon Fire Chief Addresses Trade Board Meeting

LUMBY, Nov. 15.—"Lumby has been lucky that during its speedy expansion there have been few serious fires." These were the words of Fire Chief Fred S. Little when speaking to ratepayers of the Lumby district at a regular meeting of the Lumby Board of Trade held Tuesday night of last week.

The ratepayers were invited to attend the Board of Trade gathering to hear discussion on plans with regards to the establishment of a fire protection area in Lumby. Vernon Fire Chief Little was the guest speaker.

Prior to enlightening the group on the urgent problem, Chief Little expressed his surprise both at the rapid growth of Lumby in the past few years and at the fact that nothing has been done to provide fire protection for the citizens.

He emphasized the importance of taking the proper procedure in obtaining fire protection. "The Fire Marshal's office should be the first contact," he stated.

Chief Little spent considerable time dealing with the connection between water supply and fire protection. He said that regardless of what type of fire equipment was obtained, it would be of little use without an adequate supply system to back it up.

"The organization of a volunteer fire department should provide no difficulty," continued the chief. "These brigades have an excellent record." He referred to the Vernon department as an example.

In conclusion, Fire Chief Little provided the meeting with valuable information regarding equipment, fire fighting methods, and other technical matters.

Following the guest speaker's interesting talk, the Lumby Fire Committee moved that the Fire Marshal be contacted for instructions as to the initial steps to be taken in organizing the Lumby area.

Chief Little spent considerable time dealing with the connection between water supply and fire protection. He said that regardless of what type of fire equipment was obtained, it would be of little use without an adequate supply system to back it up.

Some 3,500 envelopes were addressed and sent out under the direction of Mrs. Ray Hunter, convenor of the mailing committee, for the Chrysler Chapter, I.O.D.E., which is sponsoring the campaign.

This is a stupendous task, which meant much clerical work, time and patience to secure accuracy in the mailing list. A great deal of credit is due Mrs. Hunter, Mrs. P. A. Franco, chairman of the Christmas Seal committee, said on Wednesday. Members of the organization assisted in the work, Mrs. Charles Wyllie, publicity chairman, said.

Over 3,500 Letters Containing TB Seals In Mails This Week

Envelopes containing T.B. Christmas Seals have been received by practically everyone in Vernon and district this week.

VERNON, B.C.

## Town and District

Herb C. Northcott left Vernon on Tuesday morning for Ottawa where he will assume his duties as a Field Commissioner for the Canadian Boy Scout Association.

Ed. Anderson, a former Vernon hockey player, and Provincial Police Constable at Prince Rupert, spent a few days in Vernon this week.

A. E. Lefroy returned to his home in Vernon on Tuesday morning after spending three weeks visiting relatives in Vancouver. Mr. Lefroy was a guest at the home of his brother, W. E. Lefroy.

Doug Smith, Bob Harvey, both of Vernon, and Laurie Smith, of Armstrong, returned to their homes on Sunday evening from a weekend business trip to the Kootenays and United States.

Ernest A. LeCours returned to his home in this city on Sunday evening, from a business trip to Vancouver, leaving on Wednesday of last week. Mr. LeCours made the trip by car, driving over the Hope-Princeton Highway.

Mrs. Clara M. Wiseman, of this city, left yesterday, Wednesday, for Kaledon, to visit her son-in-law and daughter, Mr. and Mrs. Ronald Wall and her new grandson, Mrs. Wall, formerly Miss Joan K. Wiseman, is well known in Vernon.

W. L. Mather, of Manchester, England, stopped over in Vernon for several hours on Tuesday conferring with managers of canning plants. He was met by W. Read, district fruit inspector, who accompanied the British official on visits to Okanagan Valley centres.

Mrs. W. S. Stewart and her granddaughter, of Waltham, left on Monday morning for their home after spending the weekend in Vernon, when they visited Mrs. Stewart's grandson, a pupil at Vernon Preparatory School. It was "half term weekend" at the school.

Gerald Dawe, son of Mr. and Mrs. Stanley Dawe, of the B.C. District, Vernon, left on Saturday for Aylmer, Ont., to join the Royal Canadian Air Force. He received his pilot's license at the age of 16 and was one of the first class of boys to take up flying under the local air services.

Mr. and Mrs. T. Ralph Bulman and their sons, Peter and Phillip, drove to Vancouver on Friday of last week over the Hope-Princeton Highway. While at the Coast, they celebrated with their eldest son, Tom, his twenty-first birthday. Tom is studying for the ministry at U.B.C. and is a resident of Union College. The Bulmans returned home on Sunday.

Recent guests of Mr. and Mrs. R. A. Reader, of this city, were the former's mother, Mrs. L. Reader, also Mr. Reader's sister and her husband, Mr. and Mrs. Cal Bowers, all of Vancouver. The party made the trip by car, arriving on Thursday, and leaving for their homes on Tuesday. While in Vernon they attended the wedding of Miss Evelyn Toews and Reginald R. Reader, solemnized on Remembrance Day.

## Scouts Honor Herb Northcott At Large Meet

Approximately 50 people connected with the North Okanagan Boy Scout movement gathered in the supper room of the Scout Hall on Thursday night of last week to honor Scoutmaster Herb C. Northcott, recently appointed Field Commissioner for the Canadian Boy Scout Association at Ottawa.

Guest speakers were C. W. Morrow, District Commissioner; Archie Brown, president of the North Okanagan Association; and George Hembling, chairman of the Group Committee of the Third Vernon Troop.

All voiced regret at the departure of such a "capable leader as Scoutmaster Northcott" and commented on the outstanding work he has accomplished in the 10 years he has been a Scoutmaster.

Mr. Morrow announced the appointment of Mr. Northcott, on behalf of the North Okanagan Boy Scout Association, as District Scoutmaster. "He has been an industrious and conscientious Scout" since he joined the organization as a tenderfoot many years ago," said Mr. Morrow.

A Gladstone bag was presented to Mr. Northcott by Mr. Morrow for the Association and Mr. Hembling made a presentation on behalf of the Scouters in Vernon.

In reply, Mr. Northcott expressed his thanks and cited H. P. Bartholomew as a "worthy successor" to the position of Scoutmaster.

## Weatherman Will Make Long-range Forecast in 1951

Canada will have a five-day, long range weather forecasting service towards the end of 1951. So said Hon. Lionel Chevrier, Minister of Transport, in a letter to C. A. Hayden, secretary of the B.C. Fruit Growers' Association.

This is the earliest time in which the necessary staff, world-wide connections and equipment can be organized, added Mr. Chevrier.

The B.C.F.G.A. submitted a request to the Transport Minister in which it pointed out the definite values that the long range forecast weather service would bring to agriculture, fishing, forestry and many other industries in Canada.

The B.C.F.G.A. application was given immediate attention by Mr. Chevrier and after consulting the meteorological service, he informed the B.C. fruit organization that the probable starting date would be December, 1951.

The meteorological service, of which Andrew Thompson is controller, has operated a frost and wind warning aid which has been of great benefit to B.C.F.G.A. members. A. J. Connor has been in charge of the Valley service.

Mr. Connor's forecast of wind and frost was broadcast every evening at the same time. This was a one-day service which was so useful that growers felt the advance time range could be extended, making the service still greater and more helpful.

## Vernon Lad is Injured in Car Crack-up Sunday

Ivor Petrie, 17, son of Mr. and Mrs. O. A. Petrie, of Vernon, is in the Vernon Jubilee Hospital recovering from injuries sustained when the car in which he was a passenger tumbled down a 25-foot bank, one mile south of Woods Lake, on the Vernon-Kelowna highway.

The accident occurred early Sunday morning.

The youth fractured several vertebrae in his neck while the driver and two other passengers escaped with only minor bruises.

Driver of the car was Walter Atwood. Other passengers were Clayton Atwood and Albert Letendreau.

Vernon Provincial Police were informed that Petrie, who was sitting in the front seat, fell asleep. He leaned against the driver, interfering with his driving. Atwood attempted to assist Petrie to an upright position and in doing so he lost control of the vehicle.

The car immediately swung off the highway.

Police report that the small English car which was rented out by the Capitol U-Drive in Vernon, was badly damaged.

The four Vernon youths were returning to Vernon from Kelowna when the accident occurred.

## Alderman Contends Two Streets "Black As Ace of Spades"

"Why can't we have some lights on 29th and 31st Streets. They are as black as the ace of spades," Alderman D. D. Harris asked the City Council Monday night.

This challenge was caught immediately by Mayor T. R. B. Adams, who said that businessmen had asked for improved lighting on Tronson Avenue.

"There are two streets, one on each side of Barnard Avenue, now brought into Business Zone 'A,' paying high taxes, but still with old residential lighting," said Mayor Adams, who was stoutly upheld in this remark by Alderman Harris.

Alderman Fred Harwood promised this will be fully reviewed by next year's Council. He argued there must be sufficient money available to "complete the program," although some money especially earmarked for this development is on hand, he said. This fund is not sufficient to satisfy all requirements. "But we should have more lights," he admitted.

## "Rebekahs" Raise \$31 at Baking Sale

Candy, cakes, bread, buns, pies, cookies and other "good eats" baked by members of Kalamalka Rebekah Lodge, Vernon, in their own kitchens, realized over \$31 on Saturday at a sale held in the Okanagan Electric Limited premises. The affair was convened by Mrs. V. Bixby and Mrs. E. Ferguson.

Lodge members took turns during the sale waiting on customers. Proceeds will go towards Lodge projects.

The group is now working for a rummage sale, to be held on November 28.

## Indian Gets Heavy Fine For Supplying Liquor to Minor

Monday's Police Court found Magistrate Frank Smith in the rather unusual position of convicting an Indian for supplying liquor. The Indian, John G. Giffordson, was fined \$300 and \$2.50 court costs for supplying liquor to a minor.

The Magistrate was a tribe of Modoc, near Penticton, which was entrusted with the management of sacred rites.

### Place Fourth in Judging at Toronto Fair

These two teams of junior farm club members from Armstrong set a good mark in judging swine and poultry in the annual national judging contest held for boys' and girls' farm clubs in conjunction with the Royal Winter Fair at Toronto this week. In the upper photo are shown, from left to right, Gordon MacDonald, Colin Conrad, instructor, and Stuart Cox. This Armstrong team won fourth place in poultry judging. Gaining fourth place in the swine judging contest were Jimmy Field, centre, and Ronald Lyster, right, shown with their instructor, Lou Field. After being entertained for a week at the Fair, the boys will go to Ottawa to meet Governor-General and Lady Alexander.

## Many BCFGA Resolutions For Federation Convention

### Life Member of Mission Trade Board Dies Here

A life member of the Mission Board of Trade, William Henry Blanchard, 72, died in the Vernon Jubilee Hospital on Monday afternoon following an illness of one year. Mr. Blanchard was born in Windsor, N.S. He came to British Columbia in 1902 and resided for three years at Mission. A transfer in jobs took him to Harrison where he spent one year before moving on to Yale. He returned to Mission in 1909 and became a very prominent citizen of that community. In September, 1948, he journeyed to Vancouver where he underwent an operation. Since that time he has spent several months in Vernon.

He was a member of the Mission Rotary Club and a life member of the Mission Board of Trade. Surviving relatives are: his wife, Margaret; two sons, George Douglas, of Harrison, and Aubrey James, of Vernon; two daughters, Miss Ina Jean Blanchard and Mrs. J. R. Hudson, both of Vancouver. He also leaves four grandchildren. Remains were shipped to Mission last night, Wednesday, for burial. Funeral services will be held this afternoon, Thursday. Interment will follow in the Hatzig Cemetery.

### Vernon Man Dies In Calgary After Car Accident

A Canadian Press report on Tuesday stated that an inquest will be held in Calgary today, Thursday, into the death of Harry Collins, of Vernon, who was fatally injured when his car left the highway near Cammore on Friday morning. The inquest was opened on Monday and adjourned. Up to press time this morning relatives of the dead man in this city could not be reached. Collins was taken to Calgary General Hospital following the accident and he died Friday evening. The report states the body will be forwarded here for burial.

### Driving Course for Kelowna High Pupils

KELOWNA.—Students attending the Kelowna Senior High School will have an opportunity of taking a driver-training course which is now being conducted in larger centres of the province by the Vancouver Traffic and Safety Council. The course, which will be open to boys and girls between the ages of 16 and 17, will probably get underway soon.

In announcing details of the plan, James Logie, principal of the Kelowna Senior High School, said the plan had been approved by the provincial department of education, and by trustees of School District No. 23, providing it does not conflict with the department's curriculum or course of studies. Kelowna is one of four interior cities where the course will be given. Similar driving schools will be conducted at Chilliwack, Kamloops and Penticton. The course could not be included in the Vernon High School curriculum owing to crowded hours caused by the "shift system."

## Aces Give Rainbows Scare In Interior League Opener

—Defence Lapse, Fouls Fatal for Locals

After enjoying a flawless first half in which they outclassed, out-fought and outscored their visitors, Nick's Aces wilted under a desperate second half rally and the Kamloops Rainbows turned apparent defeat into a 45-38 victory in Vernon's opening game of the 1949-50 Interior Senior B Basketball League played in the Scout Hall on Saturday night before a sparse crowd of approximately 100 fans.

When the opening half ended, the Aces led by three points and they appeared to be the first team to stop the sensational-Rainbows, Interior champions and British Columbia titlists during the past three years.

The Rainbows are up to their old tricks already this season. That is winning every game, and by a comfortable margin. So far this year, their blocks, deadends shooting and accurate passing plays have whittled down past Kelowna, Summerland and Penticton effortlessly.

But Saturday night, they got a good scare. A letup in a strong defence and several fouls shattered the victory balloon for Vernon.

With Ken McGregor, newcomer from Revelstoke, putting

the safety catch on Kamloops' big gun, Gordon McQuarrie, and potting four baskets beside in the first half, Aces held the upper hand, 22-10.

Southpaw Art Barton, at one time a top hoopster in British Columbia, took over the high scoring duties of the handcuffed McQuarrie and was the only Kamloops player in the picture in Vernon's half. He found the target for two baskets and three foul tries.

The Rainbows had no easy task to overcome the slim three point edge Vernon held. The Aces battled like mad for every rebound and came up with more than their share on every occasion. But the continual bombardment of their opponents began to tell and slowly, but surely, Kamloops slipped into the deciding seven point lead and maintained it until the final whistle.

Although defeated, the Aces were not disgraced. They played their first game after only a few practices together owing to difficulty in obtaining the Scout Hall. Everyone, the Rainbows for sure, expected the Aces to be a walkover.

Art Barton and Bus Ellis, both veterans of many years on the hardwood courts, spearheaded the Rainbows in the final half. Barton scored eight points and made his total for the evening 15, while Ellis added six to his total, which finished at an even dozen.

Paving the way for Vernon were Ken McGregor and Sarge Sammartino. Six foot four McGregor topped the Aces' scoring with 13 marks.

(Continued on Page 11)

## Aces After First Win in Two Years Over Penticton

After coming within seven points of halting the mighty Kamloops Rainbows' victory streak on Saturday night, Vernon's representatives in the Interior Senior B Basketball Nick's Aces are ready for the second test of the young season this Saturday.

Hosts in the Scout Hall will be the Penticton Vets, who handed the Kelowna Golden Bears a 62-56 licking on Tuesday night of last week. Game time is 8 p.m.

The Vets are considerably strengthened this year and they should make the locals hustle. Vernon failed to muster a win against the southerners during last season. As a matter of fact, Aces were severely trounced every game.

Coach Rollie Sammartino is pleased over his team's showing against the strong Kamloops aggregation and stated on Monday, "We are out after our first win in two years over Penticton. With the newcomers we have, we should be able to do it Saturday."

## City Basketball Re-Organized in Four Team League

Owing to the many defaulted games because of insufficient players, a special meeting of the Senior City Men's Basketball League held in the Scout Hall on Monday night decided to cut the local league from the original five clubs to four.

The Vernon Comets, Japanese team, and High School quintette will remain intact. The players who comprised the Nick's team were divided into the Pats and Wildcats giving each of the teams eight players.

"The reason for having five teams," said President Vince Murray, "was to have as many players as possible playing every week and taking actual part in a good portion of each game." Previously each of the clubs comprised five or six players.

A new schedule will be drawn up by the executive and the revised league will roll into action tonight, Thursday, in the Scout Hall.

The opening game of the double-header is slated for 8:15 o'clock and will feature the High School against the Comets. Pats will tackle the Wildcats in the second game.

ITHACA.—Cornell has had five undefeated, united football teams since 1887.

## CHIROPRACTIC IS THE SCIENCE OF HUMAN ENGINEERING

By JULIUS DINTENFAS D.C., B.Sc., F.I.C.C.

Mechanical defects of the spine and other structures occur in the bodies of people of all ages. Frequently these defects can only be determined by an expert by means of X-ray analysis. Yet many gross features of bad body mechanics can be observed by an intelligent person. Particularly in the middle ages are mechanical defects most prominent. Note: the pelvis, the slouching posture, heads held to one side, one shoulder lower than the other, the hip protruding more on one side of the body than the other, etc. These are all indications that the chief support of the body—the spine—is distorted and displaced. With these mechanical defects interfering with the nerve system and other important structures, every vital function within the body can be impaired.

When a sick person after undergoing all kinds of drug treatment, has the mechanical defects of his body corrected, he regains his health. It is this method of approach, the scientific application of engineering principles to the human body that is Chiropractic. The evidence of a high percentage of this natural healing method is highly successful in curing chronic ailments and diseases of middle age. Thousands of prominent people in every walk of life have recognized this and today depend on Chiropractic.

Ice on the Head, Too

Jack Gelineau, Boston Bruins' goalie, applies cracked ice (it's inside the towel), to a bump on the side of the head he received when he stopped a high shot off Canadian Elmer Lach's blade with his noggin during a game in Montreal recently. Stunned by the blow, the goalie was down for a short count, gamely got up and carried on. He turned in a brilliant game as Bruins and Habs played to a 3-3 draw.

## Vernon Runs Out of Steam Rutland Wins Soccer Title

Running out of steam late in the final half, the Vernon High School senior boys proved little of an obstacle in the Rutland march to Okanagan Valley soccer supremacy for the second successive year.

A stonewall first half defence crumbled like tissue paper in the final stages of the battle and the smooth passing Rutland attackers booted home four goals, their margin of victory. Vernon failed to score.

Over 150 students and teachers from the two schools gathered in Polson Park on Saturday afternoon to give their representatives verbal support. For Rutland, their yells were amply rewarded, but the Vernon rooters had a dark and gloomy afternoon.

The Vernonites had their hands full guarding their own goal, let alone attempting to break through a stiff Rutland defence for counters.

In the opening half, the locals had two of what could be termed close chances to score. Each time their shots were wide of the target or deflected off the mark by a Rutland back.

Vernon, North Okanagan champions, and the southern winners, fought to a scoreless tie in Rutland on Saturday afternoon of last week. The first half of the deciding game this Saturday gave indication that the result might be the same.

As in any crucial championship game, the telling factor always comes along. Saturday, this factor was in the form of a penalty kick with about 20 minutes of the game remaining.

Rutland centre forward Al Gatzke took the shot and blasted the sphere about 10 feet off the ground. Vernon's sensational goalkeeper, Bill Yakimovitch, leaped to make the save, but the ball tipped the end of his outstretched hands and sped into the top corner of the goal.

The goal knocked the heart out of the Vernon drive. The locals just didn't seem to have the drive and spirit they possessed up to the time of the penalty goal. Try as they did, Vernon players could not halt the Rutland rally.

The visitors' inside left, Masa Masoa, finished off a beautiful passing play and Rutland led 2-0. Minutes later rugged Al Gatzke scored his second goal of the game, once more the result of brilliant passing on the part of the Rutland forwards.

The tricky Gatzke topped off his terrific performance in the dying minutes of the game when he kicked in his third goal. This was more of an individual effort as he nimbly stepped around a Vernon back and slipped in home free to give Yakimovitch no chance.

For Vernon, no individual stood out. Everyone played hard, but the visitors were too strong in every position. Ian Morrice and Bob Wyatt fought every inch of the game as far as defence was concerned and on the attack, Mitz Tohara, Jim Mohoruk, Mark Phillips and Cecil Clark were most effective.

## Women Curlers to Organize Monday

Plans for the 1949-50 season will be discussed at the Vernon Ladies Curling Club annual meeting scheduled to be held at 8 p.m. Monday in the Vernon Curling and Athletic Club.

Reports will be heard from the directors and committee chairmen. The election of officers for the coming year will also be held.

All club members and prospective members are requested to attend.

A second unconfirmed report is that a very important meeting of O.M.S.H. officials is slated in Kelowna on Saturday. What is on the agenda is a mystery.

## What Happened? Canucks Wilt Under Worst Beating of Season

### Okanagan Mainline Senior Hockey League Standings

	GP	W	L	D	Pts
Vernon	13	8	4	1	17
Kelowna	13	6	6	2	14
Kamloops	13	6	6	1	13
Nanaimo	8	3	3	2	8
Kerrisdale	8	0	5	3	3

### Hustling, Small Art Davison Is Tops With Fans

A lightweight hockey player whose chief asset is his blinding speed, has stolen the hearts of a great number of Vernon hockey fans.

He is Art Davison, diminutive 20-year-old leftwinger who blew in from the Saskatchewan junior ranks this fall.

L'il Davison skates like the wind, ghosts by body checks and back-checks tenaciously.

He also scores. Besides hitting the net with regularity all year he chose a game against the Kamloops Elks in the Civic Arena to provide the margin of victory with his "hat trick" as the Canadians won 7-4.

Fans get a kick out of Davison's habit of dancing on his toes after he has been felled by a heavy body check. Apparently this is Davison's way of letting the opposition know that their last effort was to no avail and they had better try again.

Davison played all of his hockey in Saskatoon.

In the 1945-46 season he played with a powerful Saskatoon juvenile team to take the Saskatchewan title. They later succumbed to Winnipeg entry for the Manitoba-Saskatchewan championship.

Strangely enough, Davison remembers most vividly a season with a lowly Saskatoon midget team, sponsored by the Lions Club. They were a new club, largely lacking in talent, but they had plenty of spirit. They never won any titles, however.

"Davison plays soccer with considerable ability and 'plays at' golf in the off season."

Many a coach has stated that he would rather have a good big man than a good little man anytime. Reckon they never saw Davison.

### Packers May Not Travel To Coast This Weekend

More unofficial reports from the south have it that the Kelowna Packers will not make their scheduled trip to Nanaimo and Kerrisdale this weekend. The reason given is that the Coast clubs want the Interior teams to stagger their trips instead of travelling one after the other each weekend.

### FISHING REPORTS

Kalamalka Lake—Fair, three excellent catches reported with fish ranging up to four pounds. Bait, Ruby set.

Okanagan Lake—Good, two 10-pounders and one 14-pounder hooked with surface lines over the weekend. All fish caught on Game Guide Flatties.

SOUTH BEND.—Purdue is Notre Dame's oldest football foe, first played in 1886.

### HUNTING

Pheasant—Season closed Sunday at 3:30 p.m. Reports indicate that season was surprisingly good. Many birds were shot, but many were spared as a breeding stock for next season.

Partridge—Season closed Sunday at 3:30 p.m.

Ducks—Migration now on. General report, good shooting in the Vernon area. Season closes December 6.

Deer—Considerably improved. Five bucks shot at Harris Creek, one at Lumby and Armstrong over the weekend. Snow in the uplands has driven deer into lower areas. Season closes November 30.

FISHING REPORTS

Kalamalka Lake—Fair, three excellent catches reported with fish ranging up to four pounds. Bait, Ruby set.

Okanagan Lake—Good, two 10-pounders and one 14-pounder hooked with surface lines over the weekend. All fish caught on Game Guide Flatties.

SOUTH BEND.—Purdue is Notre Dame's oldest football foe, first played in 1886.

DUCK SEASON ENDS DEC. 6

## Five Point Lead in M.O.S.H.L. Scoring Race for C. Mills

Cliff Mills, scoring champion of the Okanagan—Mainline Hockey League for the past two seasons, maintained his comfortable five point margin in the individual scoring race this week, according to unofficial statistics compiled prior to Tuesday night's game.

An ever-dangerous opportunist, Mills has scored nine goals and set up plays for 10 more for a 19 point total. Vernon's Len Sullivan moved into second place with his hat trick at Kelowna on Saturday. He has 12 goals and two assists for 14 points.

Following are the nine top scorers:

	G	A	Pts
Mills, Kamloops	9	10	19
Sullivan, Vernon	12	2	14
Hoskins, Kelowna	7	6	13
B. Hryciuk, Kamloops	8	5	13
D. Campbell, Kam.	9	4	13
B. Gourle, Kelowna	7	6	13
Jakes, Vernon	7	6	13
Davison, Vernon	11	2	13
Kobussen, Vernon	4	8	12

**Increased Membership for Ok. Centre Badminton Club**

OKANAGAN CENTRE, Nov. 15.—A large number of new members were enrolled at the annual meeting of the Badminton Club last week. A new slate of officers was chosen and plans for the coming season completed.

H. Van Ackeran is the new president, replacing Frank Parker. Art Gabel was named secretary.

Members of the executive committee are Mrs. H. Van Ackeran, Joan Van Ackeran, Mrs. B. Brighton, Hugh Bernau, J. B. Clark and Ross Baker.

Bill Summers, American League arbiter, began umpiring in the Eastern loop in 1921.

## Packers Come From Behind To Draw With Canadians

The Dave McKay-less Vernon Canadians and Bud Gourle-less Kelowna Packers battled to a 4-4 overtime deadlock in a thrilling Mainline-Okanagan Senior puck loop fixture in Kelowna on Thursday night of last week.

A goal on a penalty shot by Vernon-discard Bob Burkoski late in the third period provided the spark that set the Packers rolling to come from behind and gain the sawoff.

Over 2,200 fans had all but conceded a Vernon win when Burkoski beat Glen Bowler cleanly from close in to cut the Canucks' lead to 4-3. Playing coach Ken Stewart, with his second goal of the night and his fifth in two nights, knotted the count at 4-all with less than two minutes left, to force the extra 10 minutes.

Pivot Len Sullivan, with his hat trick, set the Canucks up for a 4-1 advantage early in the last canto. Stan Mills got the other Vernon goal, the first of the night, deflected into the goal by a Kelowna stick.

Other marksmen for the Packers was "Woody" Woods, who with Stewart and defenceman Frank Kuly, was the Kelowna standout. Burkoski's penalty shot-goal came in the middle of the Packers' late three-goal uprising. Referee Eddie Witt awarded it when rearguard

## What Happened?

(Continued from Page 9)

The Canucks looked a beaten club practically from the outset. They'd lost the golden touch. Another game will decide whether that touch is easily recovered again.

Hansen and Amundrud were the pick of a hard skating, hard checking and accurate passing crew of Kelowna Packers. They picked up a pair of goals each. Middleton, Sundin, Nippleberg, Hoskins and Semenchuk scored one each.

**SUMMARY**  
First Period—1, Kelowna, Amundrud, 16; 2, Vernon, Keryluke (Mills, Stecyk), 5:12; 3, Kelowna, Middleton (Mittle), 5:12; 4, Kelowna, Sundin, 15:35; 5, Kelowna, Nippleberg, 19:02. Penalty: Stecyk.  
Second Period—6, Vernon, Loudon (Jakes), 3:10; 7, Kelowna, Hansen (Semenchuk), 4:38; 8, Kelowna, Hoskins (Nippleberg), 6:02; 9, Kelowna, Amundrud, 18:40. Penalties: Kuly, McKay, Davison, Amundrud.  
Third Period—10, Kelowna, Hansen (Mittle), 14:15; 11, Kelowna, Semenchuk (Hansen), 17:35.

**Lineup of Teams—**  
Kelowna — Laface, Middleton, Kuly, Semenchuk, Gacek, Woods, Sundin, Nippleberg, Mittle, Amundrud, Hoskins, Stewart, Hansen.  
Vernon—Bowler, McKay, Nelson, Stecyk, Grant, Loudon, Jakes, Davison, Petrie, Kobussen, 'Wallington, Betts, Mills, Keryluke.

## Canadians Nosed Out at Kamloops

KAMLOOPS.—Skating like mad from the opening whistle, Kamloops Elks handed the Vernon Canadians their first loss in eight starts when they defeated them 7-5 in a fast and furious Okanagan—Mainline-Pacific Coast Senior A hockey game in the northern city Monday.

The Elks beat the scrappy Canucks at their own game as they forechecked them into the ice.

For once the Elks got off to a good start in the first period and jumped into a 2-0 lead. They outscored the Canadians 4-3 in the sundwich session, and Vernon bagged two to the Elks one in the final.

Jack Forsy led the Elk snipers with a three-goal hat trick. Johnny Ursaki scored two and Steve Witluk and Don Campbell one each. Assists went to Al Swaine, Al McDougall, Tom Love, Cliff Mills and Don Johnston.

Len Sullivan had a goal and an assist for Vernon, Len Wallington a goal and two assists, Bud Kobussen a goal and an assist, and Art Davison and Ron Jakes tallied the other goals.

## Aces Give

(Continued from Page 9)

ers, while Sarge Sammartino slipped in for 11 counters.

Coch Rolfe Sammartino had his charges performing brilliantly all through the game, especially in the first half. Realizing that the Rainbows depended mostly on their ability to pick off rebounds, Sammartino had three players crowding the bucket with every Kamloops shot.

This strategy, although very successful in the first half, led to Vernon's downfall as much as anything in the late stages of the game.

The Aces, seeing their lead dwindle, tried harder to snatch rebounds and as a result fouls were called against Vernon in rapid order. In the second half, Kamloops scored six of their nine foul shots. Referees Mike White and Charlie Pillar handled a clean game until the Aces got excited and fouled frequently. Kamloops were awarded 13 penalty shots and counted nine, while Vernon made good two out of their six.

**Lineup of Teams—**  
Vernon Aces—B. Kosman 0, S. Sammartino 11, R. Sammartino 0, K. McGregor 13, A. Munk 2, I. Barnett, T. Dunfield, M. McCluskey, Total, 38.  
Kamloops Rainbows—B. Ellis 12, G. McQuarrie 5, H. Foulger 7, S. Laidlaw 4, Butlerworth 2, A. Burton 15. Total, 45.

## Kamloops Wins, Loses Against Coast Teams; Monarchs Beat U.B.C.

The first Okanagan team to make a swing of the Coast, Kamloops Elks, returned to the Railway City on Sunday with one victory and one defeat in the two games they played.

On Friday night in the opening game for the new Kerrisdale Arena, the Elks darkened the initial ceremonies by whipping the Monarchs 6-4. The following night, Saturday, the Elks bumped into stiff opposition from the Nanaimo Clippers and felt the sting of defeat to the tune of 8-3.

A Coast team, whose entry into the Okanagan—Mainline Senior Hockey League was denied the University of British Columbia, bowed to Kerrisdale 8-3 in the second game played in the new Kerrisdale Arena on Tuesday night.

### Return to Normal Economy

The Dominion government's recent action with respect to housing rentals has raised a storm across the country far greater than the act of decontrol justifies.

The government's action is but a further chapter in a return to a normal economy, a step that should be welcomed and which is in line with the policy of decontrol of all prices.

We hold no particular brief for landlords, but we fail to see them as being particularly more villainous than most other forms of business, all of which have been decontrolled and allowed to charge for their products or services what they will bring in a competitive market.

The reason for continuing rent controls so much longer than controls over other forms of enterprise has been, of course, the fact that housing is in very short supply and profiteering undoubtedly would result, and certainly has resulted, here in Vernon as in other places. But the landlord, the owner of a self-contained dwelling or an apartment, has by no means been the chief usurer. That title justly belongs to those who seized upon a national emergency to offer transient and temporary accommodation. Though the rates were supposedly fixed and were indeed to the best of bureaucracy's ability, the fact remains that the services were mean in the extreme in far too many cases, and the treatment meted out, mostly to service men's wives and families, nothing short of a scandal.

This city, as a temporary garrison town, had its share of these gentry; as well, of course, as its share of decent, honest citizens who opened their homes at inconvenience to themselves.

In Vernon, housing is admittedly still difficult. It has been so for thirty years, through boom and depression. Renting modern self contained accommodation was not much easier in 1935 than in 1945. The principal contributing factor was the continued, steady growth of the community, and yet the letting of accommodation was never so profitable as to cause a huge upswing in building, until after the war ended, with a consequent easy choice of homes.

The war and the imposition of necessary and justified controls caused an unbalance in the ages old relationship between tenants and home owners. Until the war, home ownership held certain very definite advantages over renting, provided the family was fairly settled for a period of years. For the owner, taxes were comparatively small in Vernon and the cost of building very low, indeed almost at depression levels until 1940.

The cost of home building, now more than double pre-war and likely to stay at high levels into the future, and the freezing of rents, in most cases at pre-war prices, drastically altered the relationship until ownership lost almost all its traditional substantial advantages.

With the latest decontrol move in rents, the balance is once more swinging in favor of the owner, who has had a difficult time with high building costs and greatly increased municipal levies.

One substantial result of the emergence of the traditional tenant-owner pattern should be an immediate flip to home construction. The government recently offered important amendments to the National Housing Act whereby the required down payment from prospective builders was greatly lessened. Any young man of moderate prospects and with from \$500 to \$1,000 in cash—surely not such a large sum to come by in these days of ample work and high pay—is eligible for a government-guaranteed loan. While rent controls were frozen, the tenant enjoyed substantial advantages. These have largely been removed, but at the same time the way is open to thousands to become owners and occupiers of their own separate premises. A city of home owners is much to be preferred to a community of tenants.

### Pity Poor Winnipeg

One of the curses of the modern newspaper is its method; we hesitate to use the word efficiency because, unlike most other businesses, a newspaper's errors are there for all the reading public to see. In days not so far removed from country weeklies the editor was very often likely to be his own janitor and therefore scraps of information could be retrieved at will from the wastebasket, often for many weeks back.

Today, it's different, unfortunately. As with other forms of enterprise, weekly newspapers now have the resources to install systems and engage competent help to staff them. On occasion, one of the most irritating features of this system is the daily and relentless carting away of the waste, largely paper and cigarette butts. The latter are useless, but the former often contain gems of information. Even the civic authorities co-operate in this relentless efficiency by removing daily the huge accumulation of waste paper and old papers which in more leisurely days were allowed to accumulate until the spirit moved the collector, his wagon, and his horse.

Not so many years ago, a customer or friend could wander into the offices of George Rose, who then presided over the destinies of the Kelowna Courier, and find stacks of the Vancouver Daily Province dating back a decade or more. Or in the offices of the Commoner at Enderby could be seen large and dusty calendars of the year 1906. And in The Vernon News one day a few years ago, hidden comfortably among stacks of old papers, were located the original minute books of the Vernon Fish and Game Association, dated 1921.

Bringing the above to mind was the fruitless hunt a few moments ago for a copy of a recent prairie paper which contained a gem of writing devoted to praise of the one perfect autumn day enjoyed by the great city of Winnipeg. The writer concluded by saying that Winnipeg had had its day and could now face the worst that winter was capable of bringing.

How unfortunate are the citizens of Winnipeg. Had we in the North Okanagan but known of their plight we could easily have lent them a dozen or so of perfect autumn days, for this year we have had an abundance. And, quite definitely, we will not be forgiving winter if he puts in an appearance much before the turn of the year. This year's autumn weather has shown that the fall is again the most glorious time in the Okanagan.

### From the FILES OF THE VERNON NEWS

**Ten Years Ago—Thursday, November 15, 1929.**  
Remembered as a father of the co-operative fruit movement in this valley, where he resided as far back as 1912, the manager of the Okanagan United Growers, Robert Robertson died at Vancouver on Tuesday. G. Whitehead, of Vernon, was elected president of the North Okanagan Hockey Association at the annual meeting held in Armstrong on Wednesday night. The Capitol Theatre was crowded here on Saturday morning, last, Remembrance Day, as a large throng of Vernon and district citizens paid their tribute of commemoration to the fallen of the 1914-1918 conflict. For the first time within the memory of most hockey fans, Lumby will not be represented in the North Okanagan Hockey League. Though returns for butter to dairy farmers of this area were 28 cents per pound for the month of October, Alberta farmers got only 22 cents.

**Twenty Years Ago—Thursday, November 21, 1919.**  
The Okanagan Telephone Co. autumn directory is being distributed. For the first time the Revelstoke exchange is listed. Mr. Justice Murphy presided at the Fall Assizes held last week. One case was before the court and a divorce decree was granted. The court was in session only about 20 minutes. At a meeting of the Board of Trade on Wednesday morning two resolutions were adopted. One favors the appointment of a committee to look into the organization of an industrial exhibition in 1930, the other pledges support for the passage of the bylaw for the purchase of land for an airport.

**Thirty Years Ago—Thursday, November 20, 1910.**  
The splendid results attained in the Victory Loan campaign in this district are beyond all expectations, and everybody connected with the drive must feel well repaid for the strenuous work carried on by the various committees for the past two or three weeks. Some \$347,250 was obtained in the Vernon district. The annual meeting of the Vernon Red Cross Society was held on Monday afternoon at the Court House. Last Thursday evening J. J. Dougan, secretary of the Provincial Child Welfare Association, gave an interesting address in the Agricultural Hall, under the auspices of the Vernon Women's Institute. Topic was, "Into the Furrow of the World's Need." The silver wedding anniversary of Alderman and Mrs. Galbraith on Friday, Nov. 14, was made the occasion of a happy evening function on the part of 40 of their city friends.

**Forty Years Ago—Thursday, November 26, 1900.**  
From end to end of British Columbia, Premier McBride's victory swept like a tidal wave. In only one constituency, Esquimalt, do the returns show a Liberal elected. Mr. Ellison's plurality is 722. At the national apple show at Spokane, Wash., Kelowna entries captured seven first prizes and seven seconds; Vernon, seven first prizes and five seconds; Salmon Arm, two first prizes and one second. —F. B. Jacques has put in a handsome plate glass front which adds considerably to the appearance of his jewelry store. Details of the cost of sewer construction just finished have been furnished by Gail and Smith, consulting engineers. The costs are: Sewers, \$29,895.02; manholes, \$5,165.91; catch basins, \$437.20; disposal works, \$9,718.94; hand tools, general engineering and line keeping, \$2,060.32. Total cost of system, \$53,877.28.

**Fifty Years Ago—Thursday, November 23, 1890.**  
The Boers are evidently straining every nerve and bringing up every man to reduce Ladysmith before the British relief force is ready. On the last night of office of Mr. McCowan as City Clerk, the occasion was taken advantage of by the Mayor and Alderman to give expression to their sense of gratitude to him for the most efficient manner in which he served the city. Mayor Megaw read an eulogistic address. A petition has been circulated among the ratepayers asking the Council to bring forward a bylaw to borrow \$10,000 for the purpose of erecting a City Hall.

### First Snow

By REIDFORD

### Most Anything

By STUART FLEMING

Last summer I used some of this space to ask whether Vernon was going to get a big Christmas tree on Barnard Avenue come Yuletide. Nobody paid any attention. So I ask again, is there going to be a tree? Any reason that I can think of for not having one is silly. It probably isn't important enough to be an election issue, but it is a thought. One man I have heard of thinks there should be one at every intersection—complete with lights, too.

Under the leadership of the Junior Chamber of Commerce, Vernon organizations will soon discuss the advisability of establishing a date reservation bureau. The purpose of such a bureau would be to record the dates on which various organizations plan to hold entertainments and celebrations with the hope of avoiding competition and conflict between such enterprises. Every organization in the city is working toward some definite objective and all the objectives will in some manner be of benefit to the city. Unfortunately, it often happens that the means of pursuing these objectives come into collision to the detriment of achievement. If, however, each organization had some idea of what the others had in mind and when they were planning to stage their money raising projects, a better balanced presentation might be achieved. As matters stand at present, no organization may undertake some enterprise in all good faith only to find that when this enterprise is placed before the public another enterprise of equal merit also is being promoted. This tends to generate some needless friction between the organizations involved and it also has a tendency to antagonize the public which feels that too many calls are being made upon it at one time. A properly organized date bureau could do much to solve such difficulties and the Junior Chamber of Commerce deserves support in the action which it plans to take.

About six months have to elapse before this district re-enters its annual tourist season. In that time is anything going to be done to make it possible for potential visitors to find the famed Kalamalka Lake on a map when they are planning their trips? Kalamalka is not the name of the lake to which it is attached and never has been. The usage is parochial and will not appear on any official map of the country until the necessary steps are taken to have the change recognized by the Dominion cartographer's office. The Vernon Board of Trade seems the logical organization to institute the change. What is the reason for its apparent reluctance to do so?

One of the most heartening developments in Vernon is revealing itself this year. At long last an effective, co-ordinated effort is being made to give Vernon youngsters a chance to play hockey. Although the problems which the minor hockey association face are formidable, there seems not much doubt that every boy who wants to play hockey will receive an opportunity to do so. The greatest difficulty to be surmounted is lack of playing space. Even if the arena were operated on a 24-hour schedule, seven days a week, it would not be possible to give all the teams all the time they could usefully employ. Probably some boys will not receive as much attention as they would like but the minor association is aware of this situation, and regrets it and hopes that in time the problem will be overcome. In the meantime, those in Vernon who have deplored the lack of attention given to the development of local players can take heart at what is being done this winter and what will probably grow with the years, if given the necessary aid and opportunity.

When I was an apprentice reporter on this newspaper a number of years ago, I was addicted to the use of the phrase, "whether or not." The editor pointed out to me, rather sternly, I thought, that the "or not" was entirely superfluous and that "whether" raised sufficient question. I accepted the edict and governed my writing accordingly thereafter only to discover much later that the editor had been unnecessarily severe. "Whether or not" is acceptable in even the best writing circles, in which I do not ordinarily move, but the abuse can be compounded by the addition of an additional "or not" later in a sentence. I wouldn't mention this except that anyone who listens to the C.B.C.'s national news summaries and who is particularly sensitive to the use of "whether or not," as I am, will find that the compilers of these news summaries are given to sentences which run something like this: "Whether or not the leader of the union will call a strike or not is at present not known." Isn't that a gem? The grammatical indiscretions of my reporterial youth pale to insignificance before such distortion of the tongue. Of course, some of the things that have happened to the language in this column in recent times deserve even greater opprobrium except that I have been in the business long enough now to claim that such tamperings with the rules are done for effect. That has a much better sound than the admission that I have long since forgotten how to write anything but what Sir Arthur Quiller Couch called "journalese," which is a creature of quite another world.

### Must Be Answered

The question posed by the resignation of F. A. McGregor, chief of the government's combines investigation branch, will have to be answered in words of one syllable by Minister of Justice Carson and the federal government.

## Hoping for something or saving for it?

Many of your fondest dreams are centred in your children. You want them to have a good education, to develop their special talents, to have a good start in life. And so you plan . . . The things you hope for so often depend on how well you save. Now is the time to set up a savings plan which will help you achieve the things you want most. Today is a good time to start a Royal Bank savings account.

## THE ROYAL BANK OF CANADA

You'll find a friendly welcome at the "Royal!"

## Letters of General Interest

"Vocal Efforts of a Jackass"  
Editor, The Vernon News; Sir:  
I wonder who is responsible for the choice of our present city siren? Many years ago I listened to the vocal efforts of a jackass as he left this vale of tears and I once saw a cow die of milk fever.

Neither of those is a pleasant memory and our present siren brings to me unpleasant recollections. Yours truly,

R. A. DAVIDSON,  
Vernon, B.C., Nov. 15, 1949.

## Church Members Hold Entertaining Social

ARMSTRONG, Nov. 15.—Eighteen members of the Church of Nazarene gathered at the home of Mr. and Mrs. E. Defer for a lively social evening of games, contests and tricks on Friday evening.

This was followed by a lively sing-song. The serving of refreshments brought the evening to a close.

## Hope Visitor

Miss Daphne Mawer, of Hope, arrived on Friday morning to spend a few days with friends here.

Mrs. Myrtle Allan, of Kamloops, and her granddaughter arrived Thursday of last week to visit friends and relatives for a few weeks.

Glenn Williams left Thursday evening of last week to spend the weekend in Penticton.

Mr. and Mrs. Andy Thue returned home on Friday from a week's vacation in the Kootenays.

Nell Bosworth left Thursday evening of last week for Creston on business.

Mr. and Mrs. H. D. McCallan visited Revelstoke Friday.

Leslie Bird left Friday afternoon on business trip to the Coast.

R. W. Healy-Ogden, of Kelowna, was a business visitor to Armstrong on Thursday of last week.

Grand Lake, the largest body of water in Newfoundland, has an area of about 200 square miles.

The tank was first used in warfare on the Somme in September, 1916, by the British Army.

## Okanagan Centre to Vote On School Addition Bylaw

OKANAGAN CENTRE, Nov. 15.—A money bylaw for the construction of a one-room addition to the Centre school will be put before the public next month, according to statements given at the annual school meeting held Wednesday of last week in the school.

School Board representatives expressed hope that the construction would be started next year.

Mrs. G. Mervyn, of Kelowna, School District No. 23 representative, presented a financial statement for the district.

Sid Land was re-elected as the representative for the Centre school area.

Sid Land presided at the meeting, while Art Gabel was secretary. Packinghouse Dance

A gaily decorated hall with colored streamers and balloons created a gay atmosphere for the annual dance of the local packinghouse employees held in the Community Hall Thursday.

Music was supplied by the "Modernaires" and the large crowd had a pleasant time.

The packing business has had a very busy season and expects to close shop about the end of the month.

A number of the Centre residents took advantage of the long weekend to travel over the Hope-Princeton Highway to Vancouver. Among those making the trip were Mr. and Mrs. Vern Slater, Mr. and Mrs. H. Van Ackeren and daughters, Joan and Valerie, accompanied by Mr. and Mrs. R. Cheeseman.

Mr. and Mrs. Chris Phillips, of Vancouver, were the weekend guests of Mrs. Phillips' Parents, Mr. and Mrs. J. A. Glead.

Mr. and Mrs. C. G. Fallow and Herbert were weekend visitors in Enderby.

Mr. and Mrs. A. Whitehead and children spent the weekend with relatives in Grindrod.

Hostesses for the evening were Mrs. C. G. Fallow and Miss J. MacLennan.

Election of officers for the coming year will be held at the next meeting.

W.I. Sends Parcels to Members Now in England

OKANAGAN CENTRE, Nov. 15.—Members of the Women's Institute plan to send parcels to a number of the members of the Institute now living in England. This was decided at their monthly meeting in the Community Hall Thursday of last week.

A number of winter activities for the Institute were planned. They include the November sale to be held in the Community Hall on the evening of November 29 and the preparation of a Christmas tree and concert for the children to be held about the middle of December.

Hostesses for the evening were Mrs. C. G. Fallow and Miss J. MacLennan.

Election of officers for the coming year will be held at the next meeting.

## Lots of Juice Went Into This 200 Watt Globe!

With the trademark "made in Holland," visible only when held at the right angle, a 200-watt light bulb ended 35 years of bright service in Fred Cooper's Grocery Store on Barnard Avenue on Monday morning of last week, exactly at 8:45 a.m.

The durable bulb, which enjoyed an extraordinarily lengthy life, was purchased by Mr. Cooper from the late Jim Vallance in the Vernon Hardware, now the Mo and Mc Hardware.

Although not definite on the year he bought the bulb, Mr. Cooper said he was positive that it was before the First World War. From that day until it flickered out Monday, the light beamed continually during business hours in the front portion of the store.

A total of 1,089,000 men in the British Empire forces lost their lives in the First World War.

Queen Victoria chose Ottawa as the federal capital of Canada in 1858.

Hostesses for the evening were Mrs. C. G. Fallow and Miss J. MacLennan.

Election of officers for the coming year will be held at the next meeting.

## Jaycees Support Organization of City Glee Club

Vernon may soon have a Glee Club.

Under the organization and financial backing of the Junior Chamber of Commerce, a committee has been formed and practices are held in the High School each Thursday at 8 p.m. Hopes are for a membership of 30 voices. A list of 42 names has been drawn up and these people are being contacted.

Anyone is invited to attend and join the club.

Chairman of the Vernon Glee Club is William Pagan; secretary, treasurer, George Boer; librarian, Arnold Weir; conductor, Walter Karen; accompanist, Mrs. Walter Karen.

Hostesses for the evening were Mrs. C. G. Fallow and Miss J. MacLennan.

Election of officers for the coming year will be held at the next meeting.

## Aviation Council in Support of Board of Trade Suggestion

The B.C. Aviation Council will approach the provincial government for a combined land strip and float landing to be constructed at Oroville, near the customs office, approving a suggestion of the Vernon Board of Trade.

This would eliminate the present necessity of two ports of call for planes passing between the U.S.A. and Canada. Over a long term period it would be more economical for the government and flier, stated Alderman David Howrie to the City Council last week.

Alderman Howrie was reporting on the recent aviation meeting in Vancouver which he attended as director of the Air Council.

The privately owned landing strip at Mabel Lake came under discussion and a suggestion was made that the Vernon Board of Trade tourist committee interest itself in this and give support to such new development, Alderman Howrie said.

Next meeting will be held in Kamloops.

Hostesses for the evening were Mrs. C. G. Fallow and Miss J. MacLennan.

Election of officers for the coming year will be held at the next meeting.

## Armstrong Jersey Entered in Toronto Winter Show

For the first time in 33 years a representative British Columbia head of Jersey cattle is entered for the Toronto Royal Winter Fair. Included in the shipment is a heifer from the H. D. McCallan farm in Armstrong.

The prized animal, Aluvia Ruby's Countess, entered in the junior class. She was junior and reserve champion at the 1949 Okanagan Spring Show. The heifer was donated to the Jersey sale in Vancouver with provision that she would go on to the Royal Fair. A Chilliwack farmer purchased her at a price of \$437.

The animals entered in the Toronto fair are selected by a committee consisting of J. J. H. Savage, A. W. Ayer, W. H. Dumville, president of the Canadian Jersey Cattle Club, and W. Challenger, president of the British Columbia Jersey breeders' association.

Some of the highlights on the 13 head entered in the female classes are:

The mature cow, Brampton Blonde Princess, owned by Fairmead Farms. She was grand champion at the 1948 Pacific International at Portland and reserve at the '48 Oregon State Fair.

The three-year-old milking cow is Mountain View Caramba's Belle, grand champion at the Agassiz Fair for G. A. McCullough.

Fairmead Haughty Ceres, junior champion at the 1949 P.N.E., is one of the senior yearlings. The other senior yearling is Fawndale Design's Queen, owned by Hugh Savage, who was reserve junior champion at the same show.

One of the senior calves is Halldale Sport's Greta, owned by C. E. Hall, who was junior champion at the 1949 Chilliwack Parish. Other prize winners are listed from Fraser Farms, A. W. Aylard, W. H. Savage, E. C. Millward and Sons, and F. Feistman.

The shipment left recently with Alex Lamond, of Fairmead Farms, Milner, in charge.

## Thrifty Penticton Residents Pay Up 93 Percent of Tax

PENTICTON. — Penticton's taxpayers are thrifty—not quite as thrifty as those of Summerland—but nevertheless thrifty.

City Clerk H. G. Andrew reports that 93.02 percent of \$408,291.28 of current taxes were paid before the November 5 deadline, the ratepayers thus avoiding the 10 percent penalty on late remittals.

The Summerland figure was 95.47 percent representing \$79,065.45.

## B.C. Government Employees Want Five Day Week

PENTICTON.—Several important resolutions affecting the 6,500 association members throughout the province were adopted by the B.C. Provincial Government Employees Association annual convention held in the Inco Hotel recently. It was the first annual convention of the P.G.E.A. ever held in the Interior.

The 40-hour, five-day week; the Rand formula for all government employees; twice, instead of once, monthly pay for all employees; three weeks' holiday after one year's continuous service; these were among suggestions favored by the convention.

A resolution voicing disapproval of the present discrimination felt to be in existence between men and women in hiring, rates of pay, and promotion on the part of the government was also adopted.

A resolution presented by the Penticton branch of the association was favored.

It asked that all employees of the B.C. government who work 240 days in the year should be classed as civil servants with all attendant benefits.

The problem of employees of the South Okanagan Land Project and of the Liquor Control Board who work steadily the year round but are only considered temporary employees and as such are left without the security that comes with permanent employment, prompted the introduction of the resolution by the Penticton branch.

All resolutions adopted will be presented to the provincial cabinet prior to the next session, according to D. R. Monk, a member of the provincial executive of the association and a member of the association's press committee.

The convention did not favor a "closed shop" suggestion.

Eskimo Suit from Arctic

The Port of Montreal was whipped by a chilly breeze last week, but harbor master, Capt. J. P. Dufour, left, and Albert Clement, tried to convince Tony Wright, centre, a crewman from the Regina Polar, that it isn't cool enough for the Eskimo suit he brought from Arctic.

## Preparations Set for Mara Children's Christmas Tree

MARA, Nov. 14.—The Mara Christmas Tree Club held its annual meeting on Wednesday evening of last week at the home of Mr. and Mrs. George Bell. There was a fair attendance. Mrs. Eric Rosoman was elected president, replacing William Makella, and Mrs. T. Gray Jr. was named secretary-treasurer, succeeding Mrs. D. E. Witale.

Members decided to hold the annual celebration on December 17 and various committees were formed to carry out arrangements. These committees are: toys, Mrs. E. Rosoman and Mrs. T. Gray; turkey, Mrs. Chas. Kilt; children's supper, Mrs. A. Payne; candy bags, Mrs. George Bell; adults' supper, Mrs. Ed Witale; dance, Mrs. Ed Witale; decorations, Chris Kilt, George Bell and William Makella.

A dance will be held in the future with proceeds to contribute to the party. In order to purchase toys, donations will be accepted as in previous years.

At the close of the meeting, refreshments were served by Mrs. Bell.

**Student Shelters**

The Mara Community Club was informed at its recent meeting that shelters for the convenience of school bus children can not be built on the public highways. Consequently, in its effort to provide these shelters for the students, the club will have to get permission to erect them on private property. Members hope this aim can be completed shortly.

The group will hold weekly card games during the winter months, members decided. The meeting was held at the home of Mrs. George Bell and refreshments were served at the close of the business session.

Mrs. William Makella returned to her home on Friday, following a short visit in Kamloops, with her sister, Mrs. R. Robertson.

Mrs. I. Mercer and Miss M. Nickle spent the holiday weekend at their respective homes, New Westminster and Abbotsford.

Mrs. N. Collins was a visitor to Enderby on Saturday of last week.

Mr. and Mrs. Harry Bartell and family, of Vernon, spent Friday here as the guests of Mrs. Bartell's brother-in-law and sister, Mr. and Mrs. T. Gray, Jr.

Mrs. K. Gray is visiting at North Bend, the guest of her son-in-law and daughter, Mr. and Mrs. Jack Venus.

Mrs. Knapp and son, George, of Grindrod, spent Sunday at the home of Mr. and Mrs. Charles Coell in Mara.

Mrs. Ed Robertson, of Oyama, spent the weekend visiting her family here.

Miss Marlene Witale has commenced taking dancing lessons in Vernon, held each Saturday.

## Scarlet Poppies and Evergreens City's Remembrance Symbols

### New Approach to Mental Ills Used By Crease Clinic

The \$1,750,000 Crease Clinic of Psychological Medicine, opened at Essondale yesterday, Wednesday, embraces an entirely new idea in treatment by closely allying mental and nervous illnesses with general medicine. This announcement was made by Hon. G. S. Pearson, Minister of Health and Welfare.

The building embodies the most modern features in design, construction and equipment for the diagnosis and treatment of early mental and nervous disorders.

The clinic represents the culmination of the efforts of Dr. A. L. Crease, who has directed the mental health services of the province for the past 25 years, and appropriately bears his name.

The building houses complete facilities covering all specialties in the field of general medicine and surgery, including a department of diagnostic and therapeutic radiology, a department of neurology, an eye, ear, nose and throat department, a department of physical medicine and clinical laboratories. A surgical suite is provided for general surgery, as well as brain surgery.

The wards are decorated in pastel shades. Beds and night furnishings are in pale green, while all day furnishings are of maple, Empire Loyalist design. The drapes and carpets blend harmoniously.

A solarium opens off the day space on each ward and is furnished in chrome furniture.

Brilliant poppies and sombre evergreen streamered with purple, were the city's symbols of remembrance on Friday. They turned the grey stones of the Cenotaph into a warm and living memorial for Vernon's dead of two wars.

The granite obelisk, weathered by nearly three decades of summers and winters, was the focal point for the impressive Remembrance Day services. On its wide steps, below the bronze tablets bearing the names of the fallen, approximately 50 wreaths were placed in loving memory of the city's heroes.

Several hundred people took part in the three-quarter-hour service. "The Silence" was more reverently kept than has been the case for several years. Provincial Police were posted at several points to quell any noise which would mar the sacred silence, in which the assembly rededicated itself to the cause for which brave men had died.

Parade Marshal was Major M. V. McGuire. Chairman of the Canadian Legion's Remembrance Day program was Stuart A. Fleming.

The parade "fell in" outside the Legion Centre at 10:25 a.m. Led by the Vernon City Band, units participating were: Canadian Legion; "A" Squadron, 9th Recon Regiment, B.C. Dragoons; the 88th Light Aid Detachment, R.C.E.M.E.; Army Cadets; Air Force Cadets; Kildonan Pipe Band; Ladies' Auxiliary to the Canadian Legion, and the Girl Guides.

Legionnaires wore decorations and wedge caps. The Boy Scouts distributed programs to the crowd at the Cenotaph.

The parade units proceeded along 33rd Street, east on Barnard Avenue to 30th Street, and along 30th to the Cenotaph, filling into pre-arranged positions in the Memorial Square. The Vernon City Band

## Penticton Building Goes Over \$1,000,000

PENTICTON.—Building figures for the city crept up another notch last month though the increase was not sufficient to warrant any expectation that last year's banner total of \$1,542,406 would be exceeded.

Yet the value of permits taken out in October as released by Building Inspector S. H. Cornock was \$116,810, an increase of \$5,500 over the total for the same month in 1948.

The total value of permits issued this year is \$1,140,625, as compared with \$1,437,306 in 1948. Thus permits with a total value of \$401,781 would still have to be taken out if the 1948 figures is to be shaded.

## "Deacon Dubbs" Attracts 200 Westwold Fans

WESTWOLD, Nov. 14.—"Deacon Dubbs," a three act comedy, drama presented by the newly formed Westwold Dramatic Club, drew approximately 200 people to the Westwold Community Hall on Saturday evening. The large gathering applauded appreciatively the second presentation of the hilarious stage show.

During the intermissions, musical entertainment was provided by Arnold Naylor, vocal; Mrs. Richard, guitar; Miss Joan Klyne, vocal; Mrs. Rod Jones, Mrs. L. Elliott, Derby Simpson, C. E. Goode, vocal; Mrs. Joe Edgell, piano.

Members of the cast were Roy Dodgson, Deacon Dubbs; Mrs. Derby Simpson, Rose Rawley; C. E. Goode, Major McNutt; Ted Simpson, Amos Coleman; Mrs. Ted Simpson, Trickle Coleman; Mrs. Elmer Herbert, Yennie; Mrs. Hunter, Watson Junior, Phillip Popover; Rod Jones, Rawdon Crawley; Ben Buhler, Dewtonomy Jones; Shirley and Rena Meldrum, children.

Master of ceremonies was Mrs. Laurie Elliott; director, Mrs. C. E. Goode; stage scenery, Bob Simpson; sponsor and Derby Simpson; flowers, Andrea Loewin.

**Goose Shoot**

A combined goose and young pig shoot was held at Johnny Pringle's ranch on Sunday morning. The well attended event was sponsored by the Westwold Legion.

Four interesting films were presented by the Westwold Board of Trade on Monday night of last week. About 30 people attended.

V. David has returned to his home in Westwold after spending some time in the Royal Inland Hospital.

Rena Meldrum was a patient in the Royal Inland Hospital for two days during the past week.

The Women's Auxiliary to the St. Luke's Parish Church held a successful afternoon tea and sale on Friday afternoon.

Christmas trees are beginning to leave Westwold bound for homes all over the country. Five carloads were shipped last week.

## Grindrod Baseball Dance is Popular

GRINDROD, Nov. 14.—An excellent crowd attended the Grindrod Baseball Club's dance held on Saturday.

Mr. and Mrs. P. Ward returned to their home on Sunday from Kamloops where they spent the weekend at the home of Mrs. Ward's parents.

Mrs. A. Cullum, of Calgary, Alta., spent a few days here last week visiting at the home of her son, E. Cullum.

M. Padu left on Sunday for Field where he has accepted employment in the Y.M.C.A.

Emily Block and Rose Shykora who are employed in Oyama, spent the weekend visiting their respective homes.

## Penticton School Development Bylaw Is Ready

PENTICTON.—Penticton's school development projects—a high school, gymnasium, an auditorium, and an elementary school—moved another step towards reality last week as City Council gave first and second readings to a bylaw which would indicate a loan to cover this city's share of the expenses.

The projects will require a total expenditure of \$365,500, one-half of which will be provided by a provincial government grant. This sum has been made available only after ratification of the building plans and the estimates by the Department of Education.

The remaining \$182,750 is to be provided by Penticton and by the rural areas affected in the school district. Of this total, the city will be asked to provide 89.25 percent or \$163,104.38, while the share of the rural areas will be 10.25 percent or \$19,645.62.

The municipality bylaw debentures would be of \$1,000 denominations with interest at three and one-half percent. This will cover a loan of \$184,000, while the loan for the rural areas will be \$20,000.

Ratification of the bylaw by the provincial government is now the next step and in order that there may be no delay in this process it will be presented at Victoria by City Clerk H. G. Andrew and a member of the School Board, instead of being forwarded by mail in the customary manner.

HISTORIC MEDICAL HIGHLIGHTS—No. 28

T.B. OR NOT T.B.?

Only a scientist would think of analyzing his wife's spoiled food to learn the cause of disease. That's exactly what Robert Koch, German physician and bacteriologist, did when his wife gave him a fine microscope on his 28th birthday. He constantly analyzed everything, searching for the cause of Tuberculosis. In 1882, by analyzing even things like his wife's spoiled cups of jelly, he grew "tubercle bacillus," the micro-organism that causes Tuberculosis, as a solid culture media. His remedy, "tuberculin," has been a great aid in arresting the spread of tuberculosis.

It takes persistent effort such as Robert Koch's to advance the cause of medicine. The scores of new discoveries, today, require that your physician and our pharmacists constantly pursue new knowledge and experience to give you the most reliable health service possible.

Without obligating me in any way, please send me details of your mortgage cancellation plan.

True beauty comes from within. Clear, bright eyes and sparkling complexion come from radiant inner health. So there's nothing quite like the **aperient**—mildly laxative **KRUSCHEN**—to help correct that sallow, peevish, draggy look caused by sluggishness and common constipation.

Kruschen's formula is a unique blend of saline minerals, similar to those found in natural waters of famous medicinal springs. Kruschen offers you these advantages:

**EASY TO TAKE**—Dissolve quickly in water, or your morning coffee, tea or fruit juice. Most folks find the small morning dose is best.

**WORKS FAST**—Usually within the hour. Does not spoil your day.

**GENTLE ACTION**—Its formula is balanced to act gently, without discomfort.

**TIME-TESTED**—Over 800,000,000 packages sold throughout the world.

Start with Kruschen today and discover for yourself what it means to have "that Kruschen feeling." 25c and 75c at all drug stores.

## Varied Activities Keep Kalamalka W.I. Group Busy

OYAMA, Nov. 15.—When the Kalamalka Women's Institute, of Oyama, held its annual meeting on November 10, retiring President Mrs. Harry Aldred reviewed a year brimful of activities and successful money-raising projects.

Forty-nine members are enrolled. Total receipts for 1943 were \$543.87, exclusive of \$159 collected for the B.C. Cancer Institute. Expenditures were \$492.96, of which amount \$234.16 was donated to the following: United Emergency Fund for Britain; W.I. Memorial Fund; Vernon Jubilee Hospital; Crippled Children's Hospital; Queen Alexandra Solarium; Salvation Army; student assistance fund and Unitarian Service Committee. A campaign for funds for the Cancer Institute was conducted, and a tag day for the blind sponsored. Two children have been "adopted" under the Unitarian scheme.

The W.I. looks back on an open meeting held a year ago to hear Dr. Lotta Hirschmanova, director of the Unitarian Service Committee of Canada. This meeting was well attended and resulted in the "adoption" by the W.I. of a seventh child under the Unitarian scheme.

### Vernon Artist Is Winner of Award for Edmonton Mural

A Vernon artist, Janet Middleton Blench, was presented on November 5 with the Edmonton Jewish Council of Women's award of \$50 for a mural to be prepared for the opening of the Canadian National Institute for the Blind in that city.

The mural will depict the Council's motto, "faith, hope and humanity."

The scene presented is that of the early days in the pioneer west, and the struggle of the pioneer crossing the prairie.

Mrs. Blench is already at work reproducing her painting and she estimates that it will take until November 28 to finish the mural, which will be in the entrance hall of the new building.

Art critics in Edmonton newspapers describe her "master" painting as showing boldness of stroke and color. Prairie schooners rumble down a hill across the rugged, wide-open country, as a group of men prepare to hitch up their team for another leg of the long trek.

Mrs. Blench, who studied with the Canadian watercolor artist, W. J. Phillips, at Banff, is teaching composition in watercolor and oils at the University of Alberta.

Professor H. O. Glyde, head of the art department at the University of Alberta, was one of the panel of three judges to pick Mrs. Blench's entry.

Artist and Prize-Winning Mural

Further recognition in art has come to Mrs. Janet Middleton Blench who is shown holding the "master" painting which won for her the \$50 award presented by the National Council of Jewish Women in Edmonton. "Faith, Hope and Humanity" is the theme of the mural which will be reproduced on the entrance wall of the new Canadian National Institute for the Blind building in Edmonton. Parents of Mrs. Blench are Mr. and Mrs. Morrice S. Middleton, of Oyama.

### Fine Pictures in Canadian Club's Display of Art

Some of the finest paintings in the Canadian art world will be shown in Vernon on Monday and Tuesday when the Vernon Women's Canadian Club presents a display of pictures in the Legion Centre.

Mrs. W. R. Pepper, Canadian Club member and a past president, is convener of the display. She is assisted by Miss Jessie Topham Brown, well known local artist. The exhibition will be open to the public each day.

The Canadian art portion of the display consists of 25 silk screens, depicting Canadian scenes and landscapes done by Canadian artists. It also includes five panels of large Film Board photographs portraying each of Canada's main areas, with the general theme of "Know Your Canada."

Included in the display is a painting by Arthur Lismer, one of the group of seven which did so much to further the development of Canadian art. It is entitled "Isles of Spruce."

James W. G. MacDonald has a painting of a typical Indian village scene. A free interpretation of the Lytton Church, given by the well known Emily Carr, of Victoria, is included in the display.

Others in the collection include, "Victoria Glacier," by W. J. Phillips, who, in co-operation with Frederick Niven, wrote, "Color in the Canadian Rockies," and is author of the technique of the color woodcut; "White Water," by Franklin Carmichael, one of the group of seven; "The Waiting Ones," a dramatization of the people of the north, by Harold Beament, who, during the war, was official artist for the Canadian Navy, and many others.

The Canadian Club art display will appear in Kamloops after leaving Vernon.

### Flower Petals Carpet Aisle for Evelyn M. Toews

When Evelyn M. Toews, R.N., walked up the aisle of Vernon United Church at 5 o'clock on Thursday afternoon to exchange wedding vows with Reginald R. Reader, flower petals were strewn in her path by a tiny flower girl.

The bride, who is on the nursing staff of the Vernon Jubilee Hospital, is the daughter of Mr. and Mrs. David Toews, of Winfield. Her groom's parents are Mr. and Mrs. Reginald A. Reader, of Vernon, and he is their only son.

Rev. G. W. Payne officiated at the rites, solemnized against a background of late fall flowers and foliage in rich autumn tints. Guest pews were marked with chrysanthemums and tinted leaves.

Mrs. C. W. Gaunt Stevenson played the wedding music, and during the signing of the register, Mrs. Helen Sayers sang "O Perfect Love."

Ivan Toews gave his sister in marriage. The severely simple lines of her white satin wedding gown emphasized its gleaming folds. The high-necked, long-sleeved, fitted torso bodice, with its tiny collar, featured self-covered buttons at its centre front closing, the side drapes of the voluminous skirt gathered into bustle effect at the back. A white satin band frilled with net held her voluminous veil, double to the waist, tulle, and in her Colonial nosegay were pink and white baby chrysanthemums.

Miss Mary Duncanson, also of the Jubilee Hospital staff, wore a pale blue floor length gown. Above-the-shoulder matching gloves, and a Dutch cap in tone, completed her ensemble. In her nosegay were gold baby chrysanthemums. Maurice Ayers was groomsmen. John Fleming and Gordon Finlayson ushered.

Mrs. Reader, mother of the groom, assisted the wedding party to receive about 65 guests at the reception which followed in the Legion Centre. She wore a gold shot tulle frock, brown hat feathered in pink, and a pink carnation shoulder spray.

The room was decorated with white bells and streamers. The bride's table, laid with a lace cloth, was centred with a three-tiered wedding cake, flanked by burning tapers in crystal sconces, and arrangements of gold and white chrysanthemums.

J. O. Dale proposed the toast to the bride, to which the groom responded. John Fleming toasted the bridesmaid.

The couple left later for a honeymoon by car. Upon their return this weekend, they will take up residence in Vernon.

Out of town guests included the groom's grandmother, Mrs. L. Reader; and his uncle and aunt, Mr. and Mrs. O. Bowers, all of Vancouver.

### Mincemeat Tarts and Yule Festive Fare At Month-End Sale

There will be no necessity for anyone to fuss about Christmas baking this year.

Not if you take advantage of the Chrysler Chapter, I.O.O.F., special Christmas sale of home cooked holiday foods.

This event will be held in the Okanagan Electric on Saturday, November 26. Christmas puddings, cakes, shortbread, jellyed meats, bread and rolls, mincemeat pies and tarts, as well as baked beans, will be on sale, commencing at 10 a.m.

Proceeds are to complete the commitments made by the Chapter for re-furnishing its ward in the Jubilee Hospital. The Chapter has furnished and kept up a ward for many years, but authorized the purchase of new furniture for the new building.

### For the Bride

LAVINGTON, Nov. 14.—A pre-nuptial shower was given by Miss Verna MacDonald at her home on Wednesday evening of last week, honoring Miss Fay Cameron, who was married to Robert L. Sherk on Saturday.

About 600,000 acres of land have been reclaimed in Madras, India, in 1940 through repair of irrigation facilities and the sinking of new wells.

### Nurses Send Christmas Gifts To Needy Children Overseas

Three Christmas parcels will be sent overseas to underprivileged children "adopted" by the Vernon Chapter, Registered Nurses' Association, this month. A bundle of used clothing will also be dispatched to Miss Betty Jane Fleming, for distribution among needy folk in Germany.

This was decided at the regular Chapter meeting, held in the Nurses' Home on Tuesday evening of last week.

Mrs. W. A. Thom showed three films: "Wild Life in Canada," "History of China" and "Canadian Sports." Mrs. Joe Markle and Mrs. Stuart J. Martin were in charge of refreshments.

Mrs. M. Wisbey presented Mrs. Sydney Collins, formerly Mrs. David Moore, with a bouquet of chrysanthemums as a token of congratulations and good wishes from the Chapter on her recent marriage.

Miss Thelma Lawton gave a report on the recent district meeting of the Registered Nurses' Association, held in Kelowna.

### Miss Fay Cameron is Bride of R. L. Sherk

LAVINGTON, Nov. 14.—A quiet wedding of wide interest in Lavington and district was solemnized in Vernon on Saturday afternoon, when Miss Fay Cameron, daughter of Mr. and Mrs. Charles Cameron, of Lavington, became the bride of Robert L. Sherk, son of Mr. and Mrs. L. Sherk, of B.C. district.

A reception was held after the ceremony at the home of the bride's parents, attended by a number of relatives and friends of the principals.

Mr. and Mrs. Sherk will reside in Lavington.

The crown of Denmark remained in the family of Oldenburg for more than four centuries, beginning in 1448.

## SCREEN FLASHES

One of the greatest legal fights of the century—that between the famous Sir Edward Carson and the attorney-general in the Archer Shee boy case—is lived again in the film, "The Winslow Boy," where Robert Donat as the K.C. and Francis L. Sullivan face each other as legal protagonists in "The Winslow Boy."

This famous trial, a trial which aroused world-wide interest and proved once and for all the power of British justice, has finally been brought to the screen. The British film has been warmly received by critics and movie fans alike.

"The Winslow Boy" stars Robert Donat, with Cedric Hardwicke, Basil Radford, Kathleen Harrison, Francis L. Sullivan and Margaret Leighton.

The suspense picture begins a three-day run at the Capitol Theatre tonight, Thursday.

The American husband, who has suffered long and uncomplainingly the accusations, barbs and inconsistencies from all sides, gets a decided break—in triplicate—in the new comedy-drama, "A Letter to Three Wives," which opens Monday at the Capitol Theatre.

The film tells the intriguing story of three modern marriages. The three husbands, Paul Douglas, Kirk Douglas and Jeffrey Lynn, are personable gents whose wives, Linda Darnell, Ann Sothern and Jeanne Crain, respectively, are quite obviously madly in love with them. Not one of the three husbands can be charged with the faults attributed to married men.

The flaming saga of the brutal, swaggering Apache Indian chief who opposed the United States in a death struggle on the parched plains of the great Southwest is told in the great adventure hit, "Geronimo," which opens tonight, Thursday, at the Empress Theatre.

Ambush and murder currently occupy the attention of Charles Starrett and Smiley Burnette in their gun-blazing new outdoor drama, "South of Death Valley," which opens Monday for a three-day run at the Empress Theatre.

## "Say Goodbye to Backache"

—SAYS GRANDMA

Backache is a misery that strikes many women in middle life. But if you could see Mrs. W. H. of Welland, Ont., a grandmother well past 60, working in her neat little home, day after day, you would really appreciate how much Dr. Chase's Kidney-Liver Pills can do to relieve backache!

That's because this time-proven Dr. Chase remedy for backache treats two conditions at once—contains special remedial ingredients for both the kidney and liver disorders which often cause backache. So don't suffer with painful joints and backache—try this reliable remedy proven by over half-a-century's use—Dr. Chase's Kidney-Liver Pills. At all drug counters. 618

## Many Sicamous People Join Malakwa Armistice Service

SICAMOUS, Nov. 15.—Many Sicamous people motored to Malakwa on Friday to attend the Memorial Day Service which was conducted by Father F. L. Flynn. The parade from the store to the Cenotaph was led by the flag bearers, J. W. Davison and A. Morrison. Sergeant-at-arms was Gus Page.

Those in the parade included: C. A. Perry, F. Peck, L. Beattie, Captain Frank Smith, Howard Peters, R. Bond, Rev. A. E. Longfellow, A. Cameron, Larry Sewell, J. Nordquest, Jack Wellington, A. Sim, P. Stahl, Mr. and Mrs. A. Staff, Miss Eileen Page, R. O. Seed, Mrs. J. Wellington, Mrs. A. Keddy, Mrs. A. Maier, Mr. and Mrs. Monte Stepp, Mr. and Mrs. K. R. Finlayson, H. Wisdom, Mrs. A. Beattie, and the Brownies, Mrs. A. Peters and the Guides.

Wreaths were laid by Mrs. A. Maier, C. A. Perry, Larry Sewell, Frances Peck and Betty Rauma.

### Social Items

Mrs. J. W. Davison, her guest, Mrs. A. Corkery, and Barbara Ann Davison spent Saturday in Vernon.

Mrs. H. M. Shaw, of Calgary, was a guest of her niece and nephew, Mr. and Mrs. Howard Peters, on Tuesday and Wednesday of last week while enroute to Vancouver to visit her sister, Mrs. A. Tapp.

On Wednesday afternoon of last week, A. Patrick, H. Mulholland, H. Dempsey and Lloyd Bennisson, all of Revelstoke, motored to Sicamous to visit Ned Jackson.

Mr. and Mrs. Reginald Seed, Lionel Barry, and Gordon Alk, travelled to Salmon Arm in the "water taxi" on Saturday.

Mrs. Pete Martin travelled to Kamloops on Thursday of last week and returned to her home on Friday.

Fred Peters returned to his home in Sicamous after spending a few days with his niece, Mrs. Earl Reed, of Salmon Arm.

The annual Armistice dance, which was held in the Legion Hall Friday night, drew a small crowd of approximately 120 people.

Frank Peck acted as master of ceremonies. The music was supplied by the Revelstoke Orchestra. Several former residents were present for the dance. Mr. and Mrs. Jim Johnson, Vernon, brought as their guests Mr. and Mrs. Tom Swift, of Sugar Lake; Mr. and Mrs. P. MacEwan travelled from Kamloops to attend, and Mrs. Max Peterson came from Vernon.

Miss Shirley Norwood, of Kamloops, and Miss Joyce Norwood, of Vancouver, spent the holiday weekend with their parents, Mr. and Mrs. Fred Norwood.

Terry Brennan, who is attending school in Kamloops, spent the weekend in Sicamous.

Mrs. Margaret Brennan and son, David, travelled to Vernon Saturday.

Mr. and Mrs. A. Sim and Russel McQueen, of New Westminster, visited Mr. Sim's sister and brother-in-law, Mr. and Mrs. Joe Rokosh, over the weekend.

Mrs. A. Yerburch, District Commissioner, two leaders, two Guides and nine Brownies, all of Salmon Arm, were guests of the Sicamous Brownies Saturday afternoon.

The meeting was held in the large Legion Hall, where games and a sing-song were held around the Fairy Circle.

Mrs. Alvera Paterson and sons, Eddie and Rolf, of Vernon, were the guests of Mr. and Mrs. Joe Maier on Saturday and Sunday.

Gordon Mackie and Norman Mackie, of Salmon Arm, were home for the weekend, and Gordon Mackie has received a promotion and is being transferred from the Bank of Commerce in Salmon Arm to a branch of the same bank in Penikese.

Mr. and Mrs. H. Merritt and daughters motored to Salmon Arm on Saturday afternoon.

Mrs. James Macdonald and daughter, Marion, travelled to Kamloops on Sunday where they were the guests of Mr. and Mrs. Ralph Wright.

Mr. and Mrs. A. Rinta, and Robert, of Solesqua, left on Thursday of last week to motor to Port Kells and Vancouver where they will visit relatives in both places, and especially their daughter, Mrs. E. Nyberg, who broke her leg last August.

Mr. and Mrs. A. Davall had as their guest on Saturday, the latter's mother, Mrs. F. L. Dear, of Salmon Arm.

Mr. and Mrs. E. Hawkes and daughters, of Beavermouth, spent a week at their home in Sicamous.

Mr. and Mrs. Bob Weatherly, of Revelstoke, spent Sunday with Mr. and Mrs. Frank True, of Sicamous.

Mr. and Mrs. George Monnie, Beatrice and Stewart, were guests of Mr. Mennie's daughter and son-in-law, Mr. and Mrs. Cy Muschik, of Glenogle, on Saturday and Sunday.

Clifford Seed left on Tuesday morning for Oliver where he will visit for a while before continuing on to Ontario.

The improvements to the large Legion Hall, which have been made recently, include: new steps, installation of water, modernization of the kitchen and a new entrance light.

Mr. and Mrs. Larry Sewell were business visitors to Vernon on Wednesday of last week.

Twenty-five members attended the Women's meeting which was held in the Legion Hall on Tuesday night of last week. Provincial Deputy Sovereign MacIntyre and Deputy Sovereign MacIntyre, of Revelstoke, were guests. Council Commander Sovereign O. Hunt was in

## Varied Activities

(Continued from Page 16)

and apron sale in January for the new Jubilee Hospital.

Mrs. Robert Allison gave a demonstration of finger weaving in February, followed by another meeting at her home for those who were desirous of learning more about this craft.

March saw a "Home Economics" roll call. Over 50 attended the annual "Friendship Tea," when new members were welcomed.

A clothing drive was sponsored in April, in which the C.G.I.T. assisted. Over 500 pounds of articles were collected. These were sent to Vancouver to be shipped for European relief, with six new layettes, made by the Institute.

Mrs. Stella Gumnow addressed the May meeting. The group sponsored a plant and seed sale; also made appointments for the mobile chest X-ray clinic, and assisted the Community Club with May Day celebrations.

Mrs. T. Towgood conducted a competition at the June meeting, resulting in hand made novelties being turned in, which were sold at a subsequent bazaar.

Mrs. F. Rimmer offered her garden for the annual summer fête, with stalls of sewing and home cooking. At the C.N.I.B. tag day in October, \$45 was collected. The Institute catered for the Halloween party, bought prizes and judged costumes.

Mrs. L. Norman was elected president for 1950; Mrs. D. S. May, vice-president; Mrs. Shaw Mac-

## Westwold Legion Given Charter Remembrance Day

WESTWOLD, Nov. 14.—Veterans of the two World Wars attended the annual Armistice Day services held at the Westwold Cenotaph on Friday afternoon.

Canon C. W. Kirksey dedicated the prayer service to a large gathering. During the services, the veterans of the Westwold Branch of the Canadian Legion were presented with their charter. The charter was received by Ray Dogson, secretary.

The memorial wreath was placed at the Cenotaph by Fred Hobbins, president of the Canadian Legion.

Some types of radio transmitting tubes are gold plated to increase their efficiency at high-frequency operation.

## Further Work Done On Clearing Creek In Salmon Valley

SALMON RIVER VALLEY, Nov. 14.—The Salmon River Valley Foundation Area potato growers held their regular business meeting at the Heywood's Corner School on Friday night.

During the past week some of the local residents have had further work done on the river adjoining their properties. Such work as erection of dams and removal of debris was undertaken. This is to act as a precaution against the event of high water this coming spring.

Mr. and Mrs. A. Wetherpoon, of Melville, Sask., were visitors at the home of Mr. and Mrs. E. Needoba, of Heywood's Corner, also of Mr. and Mrs. A. Needoba, of Salmon Bench, on Friday.

An interesting and enjoyable service was held at Heywood's Corner School on Sunday afternoon by Rev. W. W. McNaughton.

R. C. Freeze was a business visitor to Vancouver at the beginning of this week.

Laren, secretary; Mrs. N. Allingham, treasurer.

# Subsidy on U.S. Export Apples New Blow to Okanagan Fruit Men

KELOWNA.—Okanagan apple growers received a severe blow on Monday of last week with the announcement that the United States would subsidize any export business to that country by \$1.25 per box, faced with a diminished Kingdom export market, prospects of exporting to other countries are exceedingly dim. This in effect means the U.S. apple in foreign markets can be quoted at prices \$1.25 less than Canadian apples.

The U.S. regulation provides that the American government will pay up to 50 percent of the price of export apples free at seaboard, provided the amount per box does not exceed \$1.25. This means that a buyer in, say Hong Kong, has a choice of Canadian or American apples. The Canadian price is \$2.50; the American could be quoted at \$1.25 to give the same return to the grower, the government subsidy making up the other \$1.25.

The American price, even might be set at \$3; making the U.S. apple price to the buyer 75 cents less than the Canadian price. In such a case the extra premium of 50 cents a box would go to the U.S. shipper, as the American government would pay the subsidy of \$1.25.

This step has been taken by the U.S. government in an effort to assist the apple grower who is faced with marketing a bumper crop. The U.S. crop is 132 million bushels this year whereas last year it was only 88 million bushels.

All Countries

The export order applies to practically all countries excepting Canada, Cuba, Venezuela and Mexico. The order has seriously affected the local export picture.

While there have already been some cancellations of orders for local export apples, these have not amounted to any great amount as the export market has been very drab this year, due principally to currency difficulties.

But the fact remains that the new U.S. move will make Canadian export sales just that much tougher. Domestic Sales

In the meantime, U.S. growers

## EVERYBODY'S BUSINESS

by Don Graham

Everyone should bluff—sometimes!

Of course I do not approve of the kind of bluffing which reveals unworthy motives. In certain situations, I think it is desirable and even necessary to hide our real feelings from others.

For example, a doctor of my acquaintance always appeared to be in good spirits. Highly successful and widely beloved in his community, he radiated cheerfulness and goodwill toward all. And his conversation was invariably spiced with humorous comments and stories.

Yet for the last ten years of his life this man was suffering from an incurable and painful disease! No one except his wife knew his fatal secret—a secret he kept to the very end.

What a magnificent bluff! What an inspiring example for all of us to follow when we are ill, out of sorts, worried or depressed!

By the same token, surely it is also a good policy to conceal most of our minor disappointments, annoyances, and dislikes.

If you are at all concerned about your own or your family's financial security, do not conceal that fact from everyone. Confide in your life insurance agent. He's a trained and willing advisor who can help you build a sound financial plan for the future.

## Denies Allegation Kelowna Industrial Development Slack

KELOWNA.—Total of 24 pieces of property have been sold by the city in the new industrial area, and 22 purchasers already have complete possession of the land, Alderman Jack Horn reported at Council meeting last week.

Alderman Horn took exception to a remark made by the industries committee of the Kelowna Board of Trade that development of the industrial site had "bogged down." Council received a letter from the Trade Board requesting latest information on the property.

Alderman W. T. L. Roadhouse was surprised that 24 pieces of property had been sold. He doubted whether other members of the Council were aware of the fact that so many people had purchased land in the industrial area.

"The information has been here if any member of the Council wanted to go to the trouble of asking for it," countered Alderman Horn.

Commenting on the Trade Board's letter, Alderman Horn declared, "I have yet to see where the Board of Trade has been responsible for selling any property in the industrial area."

Mr. Horn agreed to make a full report of the industrial area to the Trade Board.

## Lavington Children Make Remembrance Day Wreaths

LAVINGTON, Nov. 14.—A few spectators witnessed an impressive little ceremony last week at the site of the Lavington Memorial when all the pupils of the Lavington School accompanied by their teachers, paraded to place their poppy wreaths for Remembrance Day. This is an annual occasion for the children who make the wreaths themselves.

With bowed heads, the children observed the two minutes silence.

Quite a crowd took part in the wreath and bridge drive last week at the hall. These card games will continue throughout the winter season, being held on the first Wednesday of each month. Everyone is invited to attend. Tables can be arranged for any players who wish to "brush up" on the games.

Prizes awarded for the bridge last week were: women's first, Dora Goodenough; men's first, Len Forry; consolation, women's, Mrs. Berry; consolation, men's, Michael Freeman.

Prizes for whist: women's first, Miss E. Hartman; men's first, Orville Anderson; consolation, women, Ruth Sherki; consolation, men, Dick McDonald.

The next whist drive will be held on December 7.

## Scarlet Poppies

(Continued from Page 15)

At that moment the post office bell struck the first note of 11 a.m.; the new fire siren sounded, and a silence, deep and poignant, settled on the crowd. A city remembered, with gratitude, her glorious dead. Many people present at the service mourned relatives who had fallen in battle, and there was no one who had not had someone near to them serving in either, or both, of the two wars.

The Kildonan Pipe Band played the "Lament," sounded the "Last Post" and the "Reveille."

Replacing the Verse of Remembrance usually read, the poem, "They Will Come Home," was read by Dr. E. W. Rowse. This verse has special local significance, as it was written by Mrs. Florence Humphreys, of this city.

Representatives of the following organizations laid wreaths, with J. B. Kidston, Mrs. A. S. Neilson and Mayor T. R. B. Adams laying the first three, respectively, for the Vernon Branch, Canadian Legion; Ladies' Auxiliary to the Canadian Legion; City of Vernon. Other organizations were the Ukrainian Canadian Veterans' Association; Headquarters, B.C.D.'s, 9th Recce Regiment; "A" Squadron, B.C.D.'s, 9th Recce Regiment; 86th Light Aid Detachment, R.C.E.M.E.; "A" Squadron, B.C.D. Cadets; 223 Squadron, Air Cadets of Canada; Chrysler Chapter, I.O.D.E.; Major Allan Brooks, D.S.O. Chapter, I.O.D.E.; Rotary Club of Vernon; Miriam Lodge, A.F. and A.M.; Women's Institute; Vernon Lodge, B.P.O. Elks; Rebecca Lodge; Junij; Chamber of Commerce; Knights of Pythias; Pythian Sisters; Vernon Valley Lodge, I.O.O.F.; Foster Chapter, Order of the Eastern Star; Kinsmen Club; Scottish Daughters; Lions International of Vernon; Women's Canadian Club; Woodmen of the World; Women's Hospital Auxiliary; Vernon Fire Department; Fraternal Order of Eagles; Vernon Business and Professional Women's Club; Sons of Scotland; Catholic Women's League; Boy Scout Association; Girl Guides; Vernon High School; Elementary School; Ukrainian-Greek Orthodox Church; Chinese Community; Japanese Farmers' Association; Vernon Branch, Canadian Ukrainian Committee; Association of United Ukrainian Canadians; Vernon Chapter, Japanese Citizens' Association.

Many private wreaths were laid.

Remembrance Day is of particular significance to the Canadian Legion, and as usual, this group was in charge of all arrangements. "Old Sweats" and "new vets" had a get-together in the Legion Centre Friday afternoon.

There were 250 paid admissions to the annual Poppy Day dance held Friday night.

## Government Requires More Information on Penticton Arena Loan

PENTICTON.—City Council was informed recently that the provincial government has not as yet approved Penticton's war memorial arena loan bylaw.

Before government sanction can be given, B. C. Bracwell, Inspector of Municipalities, seeks some further information on the project, according to a letter received by the Council.

Mr. Bracwell has requested a copy of the estimates covering the proposed structure, a copy of the specifications together with a certificate of its lifetime, and a certificate to the effect that the project can be completed at or within the estimates.

## Civic Employees at Penticton Want 20 Cent Hour Wage Hike

PENTICTON.—Notification was received by the City Council this week that the members of the Penticton Civic Employees' Union are requesting an overall increase of 20 cents an hour for the 1950 wage schedule.

The council, in compliance with the law, has acknowledged the notification, and arrangements will be made for the opening of negotiations.

No final agreement can be reached until after February 1st, or next year when the negotiations will be carried on by the new council.

The union's leader, Mr. J. Dicks, declared that this city's employees are paid less than those of any other city in the Okanagan Valley. Council has offered no comment.

# We've found the recipe for Happier Living

## Your Neighborhood Dealer for GENERAL ELECTRIC APPLIANCES will tell you the answers

He is the man in your community who knows the real recipe for happier living. He will gladly demonstrate the dollar-saving advantages of G-E appliances—explain how easy it is to carry out your plans to suit to-day's budget.

G-E Clocks are electrically accurate—no need to wind or regulate. Designs for every room. From \$6.50.

## Strong Opposition to Rent Boost

The housing problem and, more specifically, the recent removal of rental controls by the government, continues to dominate discussions in the House of Commons at Ottawa, according to O. L. Jones, M. P. for Yale.

The resignation of Mr. McGregor, chairman of the Combines Investigation Board, the P.C.E. and municipal aid were other matters brought before the House.

Mr. Jones reports that C.C.F. Progressive-Conservative and Social Credit members spoke on the government decontrol measure which will result in rental increases up to 25 percent.

The member for Yale quoted extracts from a number of the speeches made on the subject. While admitting that the government measure was "in line with the general policy of decontrol instituted by the government after the war," C.C.F. leader M. J. Coldwell, member for Rosetown-Biggar, Sask., took a strong stand against the government measure. He stated: "I do not believe the people thought the government would allow drastic increases in domestic rent before something had been done to provide housing accommodation, which would be within the reach of the great masses of the Canadian people."

Mr. Coldwell added that if the people were supporting decontrol when they voted the Liberals into power, "they are getting precisely what they voted for."

"Cushion the Shock" Donald M. Fleming, Progressive Conservative for Eglinton, Ont., complained that the decontrol measure was "a decision by the government alone. Parliament has not been consulted in any way."

The Minister of Finance "simply acquainted the House with the fact that the government, by executive decree, had imposed these increases ranging up to 25 percent."

Mr. Fleming recalled that the Minister of Finance has often spoken of "cushioning the shock of complete decontrol." He added wryly that "if the 25 percent increase represents a cushioning of the shock, then I think that the tenants of Canada will plead with providence to spare them any more of these government cushions."

Social Creditor C. E. Johnston, member for Bow River, Alta., warned that one of the first results of the increase would be "another surge across the country for increased wages."

He accused the government of making it "absolutely impossible for wage earners to carry on at the present wage rates." Continuing his attack, he said that the government is, in effect, "demanding that unions go out on a strike in an endeavor to obtain increased wages."

Mr. Jones advised that the other matter of housing which "centres around the need for 500,000 low rental or subsidized houses" is still under discussion.

He adds that discussion indicates the best solution "would be subsidized low rental houses taken care of by the three governing bodies—municipal, provincial and federal."

Mr. Jones reports he has asked the government to reopen the Municipal Improvements Assistance Act so that B.C. municipalities may borrow government money at two percent for self-liquidating projects.

He explained that under the act, \$30,000,000 was placed aside to be loaned out to municipalities. However, the government closed down its operation in 1940 "leaving approximately \$25,000,000 unused."

Mr. Jones added that with the act in force once again he "hoped that towns like Enderby, which need a large sum of money for their waterworks, could have access to some of the two percent interest incorporated in the act."

"Selling Along" The Yale member reports that

## New Hilton School Nears Completion; Ready by Christmas

CHERRYVILLE, Nov. 14.—Construction on the new Hilton School is continuing rapidly and school officials expect the building will be occupied by Christmas.

A successful basket social was held in the Cherryville Community Hall on Saturday. A large crowd was present and colorfully designed baskets were donated.

Proceeds of the social will go towards obtaining articles for the school's Christmas concert.

Guests at the home of Mr. and Mrs. Alfred Hanson on Sunday were their son-in-law and daughter, Mr. and Mrs. Tommy Ellage and children, Marion and Tommy, of Bralorne.

Mrs. W. M. Schafer returned to Cherryville from Farmington, Wash., where she attended funeral services for her mother on October 30.

Mrs. Guy Thomas was in the district recently, renewing old acquaintances of 35 years ago when she was a resident of Cherryville.

## Former Resident of Cherryville Dies in Washington Home

A resident of the Okanagan Valley from 1906 until 1928, Mrs. Katherine Reisinger Schlehner, 75, died in her home at Farmington, Wash., on October 25. She spent most of her 20 years in the Okanagan in the Cherryville district.

Mrs. Schlehner was born in Odessa, Russia, on March 23, 1878. She married William Schlehner, of Everett, Wash., in 1931. This was her second marriage.

Funeral services were held on October 30 from the Farmington Adventist Church, Rev. Lyman Shaw officiating. Interment was in the Farmington Cemetery.

Surviving relatives are: her husband, William; two sons, Jake Reisinger, of Sidney, and Eudrick Reisinger, of Walla Walla, Wash.; four daughters, Mary Schaber, of Josephine Schwartz, Gladys Kelm, all of Farmington; Martha Melve, of Shohomish, Wash., and Jessie Schafer, of Lumby.

The bill dealing with the P.G.E. providing for a "federal government grant of \$15,000 per mile to complete the 30 odd miles to Prince George" is sailing along without opposition.

The resignation of F. A. McGregor as chairman of the Combines Investigation Board was "quite unexpected" according to Mr. Jones.

He added that the failure of the government to take action on Mr. McGregor's report on the flour-milling industry "brought the matter to a head."

Such reports are to be made public within 15 days of their presentation to the minister, explained Mr. Jones, but "Mr. Garson frankly admitted that the report had been in his hands since last year."

Mr. Jones concluded his message by vowing that when the Combines Investigation Act comes before the House in a few days' time it "will be strengthened and real teeth put into it so that in the future the government will be able to take action to curb the tendency in Canada to form monopolies."

## Sports Versus Homework P-TA Topic at Enderby

ENDERBY, Nov. 15.—The age-old problem of homework versus sports was one of three controversial subjects in a panel discussion of teachers and parents at the P-T-A meeting held in the Fortune School recently.

The three subjects under discussion were: should pupils be required to keep up a certain standard in school work in order to take part in sports; what is the place of homework in the school system; and how do psychological factors affect the efficiency of the school? With an occasional touch of humor, opinions on these subjects were thoroughly aired.

Members of the Association agreed that discussions of this nature were most helpful in smoothing out various difficulties which are bound to accumulate in so broad a subject as child education.

Mrs. J. Larsen, treasurer of the P-T-A, reported that the children's masquerade party on Halloween was a huge success.

However, another P-T-A sponsored activity, a dance held on October 23, was not so widely attended and was not a financial success.

The sale of shares in the Enderby skating rink will be used to obtain funds to carry out minor repairs to the rink building. The P-T-A was advised of the need by J. Pow, representing the rink committee.

Mrs. D. Jones, president of the association, appointed a committee to endeavor to sell some of the shares.

Another item of business was the report on the P-T-A instruction sessions at Penticton and the Board Conference at Oliver submitted by Mrs. H. Kirkpatrick, one of the Enderby delegates.

At Oliver the delegation was shown through the new ultra-modern school built at an approximate cost of \$700,000.

To conclude the evening, plans were made to hold a social evening in December.

Visit Parents Miss Eileen Farmer, of Vernon, visited her parents, Mr. and Mrs. P. G. Farmer, over the holiday weekend.

Mr. and Mrs. George Graham motored to Mabel Lake on Sunday to spend the day visiting with the Dale brothers before returning to their home in Enderby.

Mrs. A. O. Blackburn, of Enderby, visited her brother and sister-in-law, Mr. and Mrs. E. Dunn, of Vernon, on Saturday.

Jack MacKinlay, of Kamloops, visited his parents, Mr. and Mrs. R. MacKinlay, of Mara Lake, at the end of last week. While in the district Mr. MacKinlay visited a number of his friends in Enderby.

Mr. and Mrs. George Green were visitors to Armstrong Friday as the guests of Mrs. Green's brothers and sisters.

## Summerland Fruit Growers Unhappy With Prune Deal

SUMMERLAND.—Prunes bulked largely in the deliberations of a handful of Summerland growers who assembled last week for the annual meeting of the B.O.F.G.A., Summerland local. Only one-tenth of the registered growers in this area showed enough interest to attend, but the gathering made up in enthusiasm for what it lacked in numbers.

It was plain that growers are not satisfied with the prune deal of 1949 and intend to take their views to the B.O.F.G.A. annual convention in Penticton next January and give the entire subject a good airing.

Main grievance seemed to centre around the sale agency's policy of seeking prunes in the early part of the season, before they are mature. Growers admitted they picked immature prunes which were little better than "pig feed," while others declared themselves against any policy but one of straight No. 1 prunes, with the rest dumped.

The stockmen in the interior have made repeated requests to the Department over a number of years to have a check-point established on the main highway near Hope.

The vehicles will be examined to see that truckers conform to regulations contained in the "Stocks-brands Act."

The stockmen in the interior have made repeated requests to the Department over a number of years to have a check-point established on the main highway near Hope.

Business at High Level The generally favorable business report for British Columbia during the summer months has carried over into the autumn period, according to Hon. Leslie H. Byers, Minister of Trade and Industry.

"Business indicators" as contained in the September issue of "Business Activity" show that with few exceptions business in B.C. has shown steady progress.

## New Kelowna Legion Building Opened on Remembrance Day

KELOWNA.—Rated as one of the most modern buildings in the city, the newly renovated Canadian Legion building was officially opened Friday morning immediately following the Remembrance Day service in the City Park.

The building was completed at a cost of around \$80,000. City officials and ex-servicemen were present for the official opening. Mayor W. B. Hughes-Oames presided over the brief ceremony which took place at 11:45 a.m.

The large auditorium in the new building will no doubt solve the serious lack of accommodation for civic functions. The adjoining banquet room, complete with kitchen facilities, will also provide a popular place for private dinners and luncheons. The upstairs portion of the building, where the auditorium and banquet room are located, has a private entrance, and will not interfere with the running of the club.
